AGENDA ITEM (ACTION ITEM):

Receive Summer 2024 Summer Food Service Program dates, times, locations

APPLICABLE BOARD POLICY:

Food/School Nutrition Services 07.1

HISTORY/BACKGROUND:

The Summer Food Service Program (SFSP) is a federally funded, state administered program. The Student Nutrition Department will receive federal reimbursement for meals served to children in low-income areas. The district will be serving breakfast at two schools, serving lunch at three schools, and serving lunch at two community sites throughout summer. Please see attachment for the specific dates, times, and locations of each summer program.

FISCAL/BUDGETARY IMPACT:

The 2023 SFSP cost \$31,085.16. The federal reimbursement was \$25,002. As such, one low performing site will not be open this summer, since labor costs were not able to be covered by meal reimbursement.
