Marion County Board of Education,

The Marion County High School basketball team has an abundance of old game jerseys that are no longer useful to the program. They are taking up space in our storage room. It's our opinion that there would be alumni interested in purchasing these jerseys. With this being said, we are writing this letter for your consideration to declare used Marion County High School basketball uniforms surplus and also to allow the sale of these items with the proceeds going to the Marion County High School basketball team.

Below you will find the uniforms that would be considered surplus and the era that they were used in.

- 2008 (White) – 8
- 2008 (Maroon) – 12
- 2011 (White) – 17
- 2014 (Navy) – 12
- 2014 (White) – 13
- 2017 (White) - 10
- 2018 (Maroon) – 11
- 2019 (White) – 12
- 2020 (Maroon) – 9
- 2021 (White) – 14
- 2021 (Black) – 8

- 2020 (White Pullover) – 9
- 2020 (Black Pullover) – 6

TOTAL ITEMS – 151

We will work with Central Office on the process of how to go about listing and selling these items once/if approved.

Thanks for your consideration,

Matthew Thomas
