Mya Sivells and Lori Carver  
Todd County Central High Cheerleading Coaches

I hope this letter finds you in great spirits. We are the coaches of Todd County Central High School Cheerleading Team in Elkton, KY.

As we prepare for the upcoming season, we are reaching out to community members and businesses for support. Our cheerleaders are committed to excellence both on and off the field, and their participation in our program helps them develop crucial life skills such as teamwork, leadership, and perseverance.

However, sustaining a successful cheerleading program requires significant financial resources. The costs associated with uniforms, equipment, travel, competition fees, and training can be substantial. Therefore, we are seeking donations to help offset these expenses and ensure that every member of our team has the opportunity to participate fully, regardless of their financial background.

Your generous support can make a tremendous difference in the lives of our athletes. A donation of any amount would be greatly appreciated and would go directly toward supporting our team's needs. In recognition of your contribution, we would be honored to feature your business logo on our team's promotional materials, including banners, programs, and our social media platforms, showcasing your commitment to our community and youth development.

If you are interested in making a donation, please find the enclosed donation form, which outlines various ways you can contribute. Additionally, we would be thrilled to discuss any specific sponsorship opportunities or ideas you might have.

Thank you for considering our request. Your support would not only aid our cheerleaders in reaching their goals but also demonstrate the spirit of community and generosity that makes Elkton such a wonderful place to live. We look forward to the possibility of partnering with you and hope to hear from you soon.

Warm regards,

Mya Sivells and Lori Carver
