

BMS/BHS Monthly Board Report
June 2024
Tiffany Hicks, Principal

THANK YOU, BOE MEMBERS!

- As always, thank you for your continued support in all of our endeavors! **Thank you for your participation in all of our end of the year activities and graduation. It was a very successful year!**

INSTRUCTION / PERSONNEL

- We started summer school this week and attendance has been great! We are fortunate enough to have 4 teachers who have signed up to teach summer school and/or lead enrichment activities. Because of this, we are able to offer true credit recovery to middle schoolers for the third year in a row!
- New Hires / Current Vacancies
 - Once the new principal is named, I will be working very closely with them to get these positions filled as soon as possible. All of the positions are posted and the ones with an asterisk already have several applicants.
 - **MS Math (Grades 7 & 8)***
 - **High School Science (Chemistry)**
 - **MS Math / Science (Grade 6)**
 - **Receptionist***
 - **Nurse***

SBDM ELECTIONS / BUDGET

- Congratulations to Mr. Elrod, Mr. Tosolt, and Ms. Foster for being nominated to the 24-25 SBDM Council!
 - We will have the parent election on June 14 (run by Elizabeth Ellis).
- We saved a ton of money this year by using ESSER funds. I hope you will approve the plan to carry over the balance to the 24-25 school year (also attached to this document).

CURRICULUM / ASSESSMENT / PROFESSIONAL DEVELOPMENT

- All of the Science Teachers have finished their training / professional development for implementing OpenSci Ed next year! I am working with Hallie Booth from NKCES to get the kits for labs ordered before the beginning of the school year.
- The ELA Teachers have finished their training to hit the ground running for using CommonLit360 next school year.
- I've included the '24-'25 PD Plan (sent to teachers June 3, 2024).
- All of our students received UNLIMITED free books to take home for summer reading - thanks to the KyCL Grant!
