Re: Shepherdsville Elementary - MTSS Coach

Shepherdsville Elementary School (SES) is requesting to be able to create and hire an MTSS coach based upon the current district approved job description. SES has a diverse set of needs within the school and an MTSS coach will allow students who require additional support in the area of social and emotional learning to be given consistent instruction in that area. The MTSS coach will also coach and collaborate with staff members to increase their understanding and implementation of MTSS practices to support all students as well as those identified as needing additional support. Finally, the MTSS coach will collaborate with administration to make data based decisions on interventions and support for students and decisions regarding professional learning for staff. This position will be funded from Title One allocations.
