School Safety Officers (SSOs)

DEFINITION

(1) "School ~~r~~Resource ~~e~~Officer" ~~or~~ "SRO" means an officer whose primary job function is to work with youth at a school site who has specialized training to work with youth at a school site and is:

- (a) 1. A sworn law enforcement officer certified under KRS 15.380 to KRS 15.404; or
- 2. A special law enforcement officer appointed pursuant to KRS 61.902 and certified under KRS 15.380 to KRS 15.404; or

 - 2. Through a contract as secondary employment for an officer, as defined in KRS 16.010, between the Department of Kentucky State Police and a school district; or
 - 3. Directly by a local Board of Education.¹

(2) "School ~~S~~safety ~~O~~fficer" or "SSO" means school resource officer who is employed directly by the District. All SROs serving in the District shall be referred to as SSOs.

PURPOSE AND GOAL: SAFER SCHOOLS AND SAFER STUDENTS

The Board is responsible for the general management and control of schools in the District², including promoting and fostering a safe environment for students, staff, and visitors. Every student should have access to a safe, secure, and orderly school that is conducive to learning.³ Central to that responsibility is the implementation of a fair and equitable system of behavior supports and interventions for all students. School administrators are expected to develop and implement a plan with teachers to ensure that expected behaviors are intentionally taught, modeled, learned, and reviewed to ensure understanding and success by students, school staff, and SSOs.

The District's commitment to achieving racial equity through awareness, action, and accountability must be embedded in all school and District practices, to ensure that all students are treated fairly and without discrimination. Critical to school safety and student success is the importance of building and sustaining positive adult-to-student relationships that: celebrate and recognize positive student behavior; incorporate cultural competence; use age- and developmentally-appropriate strategies; and are based on mutual respect and two-way communication.

A central goal of implementing this system of strategies to develop positive relationships in schools is reducing the number of students who become engaged with the juvenile justice and criminal justice systems.

School Safety Officers (SSOs)**PURPOSE AND GOAL: SAFER SCHOOLS AND SAFER STUDENTS (CONTINUED)**

The purpose of the program is not to enforce or administer matters of school discipline and student conduct. Such matters are the responsibility of other District or school personnel. The purpose of the SSO program is to: promote and foster a safe environment in schools, at school-sponsored events, and on school transportation; provide a law enforcement presence on school property and at school-sponsored events; enhance educational programs relating to safety and positive behaviors; build positive relationships with students to support academic success and personal growth; provide a liaison to community and law enforcement agencies, and contribute to the District focus on building trusting relationships in school communities through approaches such as restorative practices, positive behavior interventions and supports, social-emotional learning, and trauma-informed practice. The primary domain of activity for an SSO is outside the school building, except when called to respond to an incident or emergency by the principal or District administrator. An SSO shall work to develop strong working collaborative relationships with principals; other school administrators; and with School Safety Administrators, whose primary domain of activity is within school buildings.

PURPOSE AND GOAL: SAFER SCHOOLS AND SAFER STUDENTS

The goal of the SSO program is to promote safer schools and safer students by employing law enforcement officers with high levels of specialized school-specific and student-focused training to work proactively with others in the school community to create a safer and more supportive learning environment for all students. SSOs shall work as a team with administrators and teachers to develop strategies to protect and support all children so they can reach their fullest potential. Administrators will work to facilitate opportunities for SSOs who have mentoring relationships with students to maintain those relationships.

The SSO program is one component of a broader effort within schools and the District central office to promote and foster a safe learning environment for students, staff, and community. Schools are safer when administrators, teachers, and staff work intentionally to:

- Actively engage students in authentic learning that matters to their sense of self and personal development.
- Build a culture and climate that foster and sustain attitudes, beliefs, values, and practices that promote success for all students.
- Make racial equity foundational to all school systems and practices.
- Develop and implement a comprehensive system of supports to address student mental health, social, and emotional needs, and the roots of disruptive behavior.

School Safety Officers (SSOs)**ROLES AND EXPECTATIONS**

- Collaborate closely with appropriately trained and equipped law enforcement professionals – SSOs – to promote and foster a safe environment for students, faculty, staff, and the school community.
- An SSO will have such training, certification, and commission as is required by provisions of KRS Chapters 15, 61, and 158.
- In addition to requirements established under state law for SROs, an SSO shall meet all additional training and other requirements established by the District in the SSO job description and in procedures to implement this policy.
- Per KRS 158.4414, an SSO who fails to successfully and timely complete SRO training requirements shall lose their SRO certification and shall no longer work in the District as an SSO. An SSO who fails to meet other requirements established by the District shall be subject to the provisions of the policies and procedures governing employee discipline.
- An SSO shall also obtain training on the use of physical restraint and seclusion including additional training applicable to “core team” school personnel designated to respond to dangerous behavior.
- An SSO is vested with law enforcement jurisdiction and authority as described in KRS 61.902 to KRS 61.930 and other applicable law, including, but not limited to, investigating and responding to possible criminal offenses and to health or safety threats to students or school personnel.
- As authorized under the Family Educational Rights and Privacy Act (“FERPA”), SSOs and all staff within the Department of Security and Investigations, are designated as the District’s “law enforcement unit” under the Chief ~~of Staff Operations Officer~~ possessing law enforcement authority and exercising safety and security functions as described in state law and referenced above. Records created and maintained by an SSO for a law enforcement purpose do not constitute education records under FERPA.³ District staff other than law enforcement personnel are not responsible for the creation of law enforcement records and are expected to observe restrictions on access to such records. An SSO is expected to provide guidance and insight to District officials and staff on such restrictions.

NATURE OF EMPLOYMENT

An SSO is a classified employee. An SSO is therefore generally covered by District classified employee policies, including, but not limited to, policies regarding terms and conditions of employment; fringe benefits; employee discipline; and reductions in force.⁴ However, as applied to an SSO, such general District classified employee policies may be subject to the terms of their contract with the District; their job description; and their authority to carry out certain law enforcement functions as permitted by law, Police officers shall be granted with the protections provided in KRS 15.520 and shall be certified in accordance with KRS 15.380.⁶ In accordance with KRS 61.926, 527.020, and 527.070, as applicable, each SSO shall be armed with a firearm, notwithstanding any provision of Board policy, school council policy, or memorandum of agreement.⁵

School Safety Officers (SSOs)**ASSIGNMENT**

~~By August 1, 2022,~~ The Board shall ensure, for each campus in the District, that at least one (1) certified ~~SSO SRO~~ is assigned to and working on-site full-time in the school building or buildings on the campus. If sufficient funds and qualified personnel are not available for this purpose for every campus, the Board shall fulfill the requirements on a per campus basis, as approved in writing by the State School Security Marshal, until a certified ~~SSO SRO~~ is assigned to and working on-site full-time on each campus in the District.

Any SSO who fails to successfully complete the state-mandated training requirements within the specified time periods, including approved extensions, shall lose their SRO certification and shall no longer serve in the capacity as an SSO. An SSO who has lost SRO certification due solely to the officer's failure to meet state training requirements may regain certification status as an SRO upon completion of the training deficiency, and may resume service in the capacity as an SSO. An SSO who fails to meet other training requirements established by the District shall be subject to the provisions of the policies and procedures governing employee discipline.

No later than November 1 of each year, the Superintendent shall report to the Center for School Safety the number and placement of SSOs in the District. The report shall include the source of funding and method of employment for each position.

GUARDIANS

Beginning with the 2025-2026 school year, the Board, if unable to meet the requirement for each campus in the District, that at least one (1) certified SRO is assigned to and working on-site full-time in the school building or buildings on the campus, may in consultation with and approval by the State School Security Marshal, employ one (1) or more Guardians to provide safety and security measures for schools within the District.
