

THIS IS A DECISION PAPER.

To: Hardin County Board of Education

From: Teresa Morgan, Superintendent

Date: June 27, 2024

Subject: Personally Owned Device Guidelines

Facts:

In order to provide better connectivity to the district's network from personally owned devices, guidelines have been updated. The use of paper forms is being eliminated. The use of personally owned devices on the district's network can still be revoked if users do not abide by HCS policies and guidelines.

*See attached draft guidelines

Recommendation:

I recommend the Hardin County Board of Education approve the proposed Personally Owned Device Guidelines for staff and students.

Recommended motion:

I move the Hardin County Board of Education approve the proposed Personally Owned Device Guidelines for staff and students.
