Scope

Provide a Complete Narrative of the Proposed Project

The Middle School improvements to include the additional of a student drop off canopy and sidewalk/stair replacement, improved drainage along back side of building, limited number of glazing replacements, masonry opening repairs.

The Intermediate School improvements include glazing replacement, new secure entry/reception and office area next to vestibule (currently FRC) and a small conference room, including a new door and windows. Moving the FRC to the old Science room with a new exterior entrance and creating a second resource room and a school storage room. Repair several areas where the roof/wall are leaking. The exterior needs masonry and gutter repairs, where there has been water damage. Several areas on concrete walk to be replaced due to settlement and trip hazards. The Elementary School Improvements include glazing replacement.
