

Kenton County School District | It's about ALL Kids.

Issue Paper

DATE:

June 13, 2024

AGENDA ITEM (ACTION ITEM):

Consider/Approve a building and grounds alteration request at River Ridge Elementary for vinyl mesh window and vinyl logo graphics to be installed on main entrance doors and windows, gym doors, headers to each hallway, in the cafeteria, as well as in the hallways. It would also include a vinyl floor logo being changed to match our current logo.

APPLICABLE BOARD POLICY:

5.11-Alterations of Buildings and Grounds

HISTORY/BACKGROUND:

The River Ridge Elementary Council approved a request from Natalie Ewald to have Corbitt Graphics install vinyl mesh window graphics at entrances and throughout the building. Installation of the window graphics will increase the aesthetics of the entrances to the school, promote branding of the RRE logo, and improve safety by reducing sightlines into the school. It will also help visitors to the building to be able to locate their destination by providing signage headers to each hallway. The RRE PTO has raised money to cover the cost of the materials and installation of the graphics. Future upkeep of the window graphics will be paid by the PTO or RR SBDM fund. This request has been reviewed and approved for Board consideration by the District's Operations team.

FISCAL/BUDGETARY IMPACT:

\$4500-(PTO will be paying for this)

RECOMMENDATION:

Approve a building and grounds alteration request at River Ridge Elementary for vinyl mesh window and vinyl logo graphics to be installed on main entrance doors and windows, gym doors, headers to each hallway, in the cafeteria, as well as in the hallways. It would also include a vinyl floor logo being changed to match our current logo.

Natalie,

Attached are proofs I have completed up through today for River Ridge Elementary. This includes a PDF of the updated logo. As mentioned, I created it with a more cohesive look and enhanced the wolf cub - hope you like it.

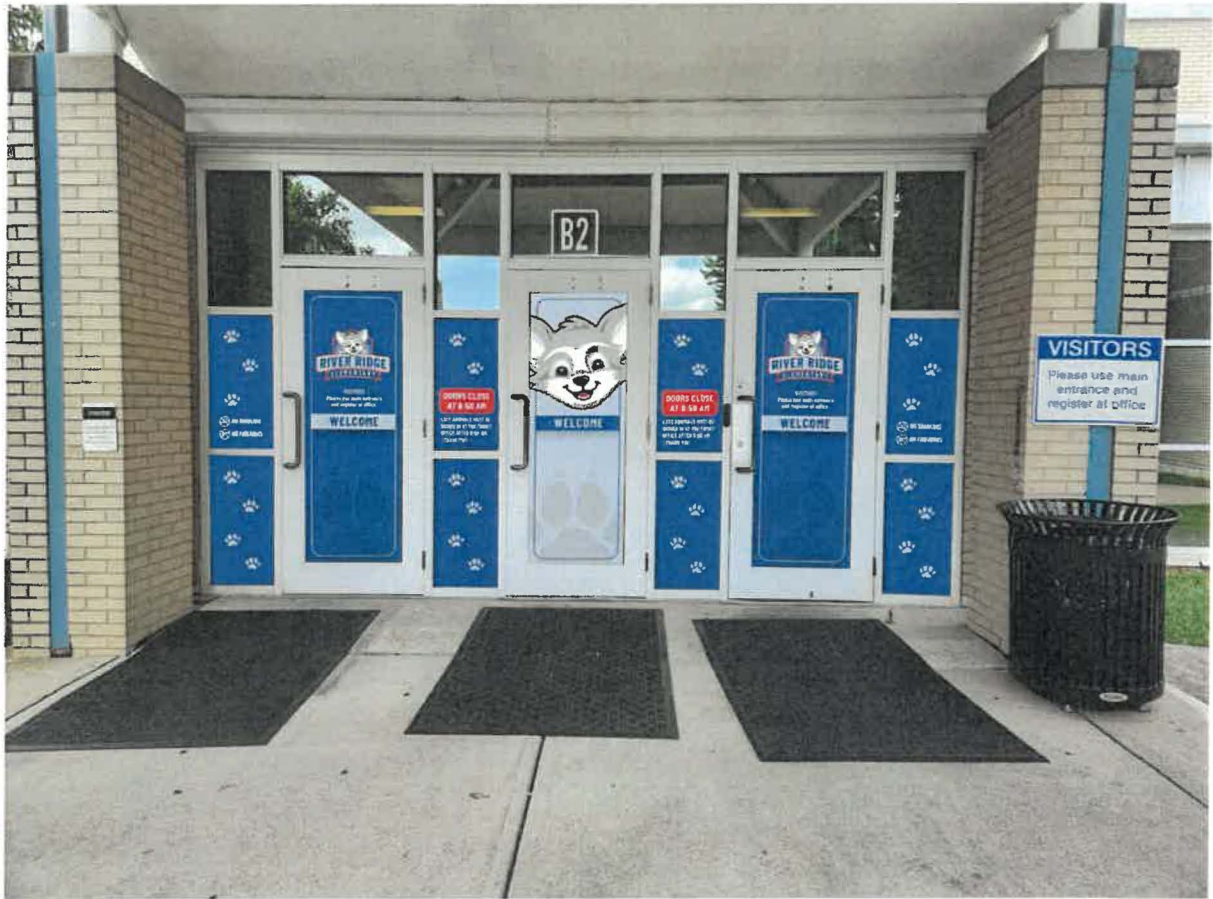

Let's plan to talk on Monday or Tuesday of next week to go over the designs.

Thanks.

No problem AT ALL, I didn't want to rush you, I just was trying to get a ballpark idea. If you have it to us by Friday I think that would be fine. They are not coming until the week of the 15.

Natalie,

I'll be sending the files later today/tonight as I had another rush project I had to jump on. Just wanted to let you know.

Thanks.
