 - **Literacy** -- Our partnership with *The Reading League* will continue for our fourth consecutive year. We have our professional development trainings set for ALL LES staff taking place on August 7th and in November. We are grateful to continue this partnership with this amazing group and move out of our learning year into our implementation school year! The most exciting thing is that our TRL virtual coach, now Stefany Bragg, is being gifted again to our school for a fourth year using secured TRL grant funding.
 - **Science of Reading Conference** - Ten Lincoln staff members are signed up to attend an SOR Conference at Mount St. Joseph University on June 26th. This will prove to be such a beneficial experience for all and help continue to strengthen our learning.
- **Summer Outreach!** We've joined forces as a district team and now the summer outreach programs will include both Lincoln and DHS!
 - **Surprise Ice Cream Trucks** – Using TWO school vans, we have/plan to drive around the entire town of Dayton surprising students, families, and community members with a cool ice cream treat! Our first one was held on June 12th and was a huge success. We look forward to making this fun drive around town again on July 9th also.
