Section 7. Redemption Provisions.

(a) *Optional Redemption.* The Bonds may be subject to optional redemption prior to maturity as determined by the Superintendent or Finance Director, in consultation with the Financial Advisor, which terms for optional redemption are to be in the best interests of the District in achieving acceptable bids for the Bonds pursuant to Section 14 hereof. The Bonds shall specifically state thereon the terms for optional redemption, if any.

(b) *Mandatory Redemption.* The Term Bonds, if any, must be mandatorily redeemed in each of the respective years set forth in the mandatory redemption schedule set forth in the Sale Certificate. The Term Bonds to be so redeemed shall be selected by the Bond Registrar by lot in such manner as may be determined at the discretion of the Bond Registrar. Such Term Bonds due shall be so mandatorily redeemed at 100% of the aggregate principal amounts specified in accordance with the provisions of Section 14 hereof for each year plus accrued interest to the respective dates of mandatory redemption.

At the option of the District, to be exercised at least 45 days prior to the date for application of the mandatory redemption of the Term Bonds, if any, the District may receive a credit against the mandatory redemption requirement for Term Bonds subject to the application of such mandatory redemption requirement that, prior to the date for application of such requirement (and for which a credit has not previously been taken) (i) have been redeemed other than through the application of such mandatory redemption procedure, and cancelled by the Bond Registrar or (ii) have been delivered to the Bond Registrar by the District for cancellation.

(c) *Extraordinary Redemption.* Notwithstanding Section 21(a) of this Bond Resolution, if the Project is destroyed by fire, lightning, windstorm, or other hazard, and the District determines not to rebuild or replace the Project, then the Bonds shall be subject to redemption at the option of and by the District prior to maturity, in whole or in part, in any order of their maturities (less than all of a single maturity to be selected by lot), at par, plus unpaid interest accrued to the date of redemption.

(d) *Redemption of Less Than All of a Single Bond.* If a Bond subject to redemption is in a denomination larger than \$5,000, a portion of such Bond may be redeemed, but only in a denomination equal to \$5,000 or any integral multiple thereof, if the Bond is one of the maturities or amounts or part of the maturities or amounts called for redemption. Upon surrender of any Bond for redemption in part, the Registrar shall authenticate and deliver an exchange Bond or Bonds in an aggregate denomination equal to the unredeemed portion of the Bond so surrendered.

(e) *Notice of Redemption.* The Paying Agent shall give notice of redemption by registered or certified mail, overnight delivery, or e-mail not less than 25 nor more than 60 days prior to the redemption date to each Bondholder to be redeemed or tendered at the address of such Bondholder appearing in the Bond Register, and also to such other Persons as the District shall deem appropriate.

Neither the failure of any Bondholder to receive notice as provided herein nor any defect in notice so provided shall affect the validity of the proceedings for redemption in accordance with this Bond Resolution.

All notices of redemption shall state:

- (i) the redemption date;
- (ii) the redemption price (including premium, if any);
- (iii) the name of the Bonds to be redeemed, the principal amount of Bonds to be redeemed, and, if less than all Bonds are to be redeemed, the identification (and, in

- the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (iv) that on the redemption date, the redemption price, as appropriate, of each such Bond will become due and payable, that interest on each such Bond shall cease to accrue on and after such date, and that each such Bond will be deemed to have been redeemed;
 - (v) the place or places where such Bonds must be surrendered for payment of the redemption price thereof; and
 - (vi) such additional information as the District or the Paying Agent shall deem appropriate.

In the case of an optional redemption pursuant to this Bond Resolution, the notice of redemption may state (i) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent no later than the redemption date or (ii) that the District retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a “Conditional Redemption”), and such notice and optional or extraordinary redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded in writing, and disseminated to each Bondholder in accordance with the procedures set forth in this Section, no later than 7 days prior to the redemption date.

Notice of redemption having been given as aforesaid, the Bonds so to be redeemed shall become due and payable on the redemption date at the redemption price specified, and on and after such date (unless the District shall default in the payment of the redemption price) such Bonds shall cease to bear interest. Upon surrender of any such Bond for redemption in accordance with such notice, such Bond shall be paid at the redemption price thereof.

Section 8. Tax Levy and Pledge; Sinking Fund.

The Bonds are general obligations of the District and the full faith, credit, and taxing power of the District are hereby irrevocably pledged to the prompt payment of the principal of and interest (and premium, if any) on the Bonds when due.

As general obligations of the District, the Bonds shall be and hereby are declared to be payable in accordance with the Act from all lawfully available Pledged Receipts (including, but not by way of limitation, any moneys attributable to Bond proceeds or the income from the temporary investment thereof, moneys held in the Funds and any other moneys held by the Paying Agent for the benefit of the Bonds); provided there shall be no impairment of the express contract rights, if any, of the Holders of outstanding bonds of the District. No liability shall attach to the officials or representatives of the District for the payment of principal of or interest (or premium, if any) on the Bonds.

To provide funds required to pay the interest on the Bonds (as well as all other General Obligation Debt, if any) as and when the interest becomes due and in order to create a sinking fund to pay and discharge the principal thereof (and premium, if any) as the Bonds and any other General Obligation Debt become due, and pursuant to and in compliance with (i) Section 159 of the Constitution of the Commonwealth and (ii) the Act, there shall be and there is hereby levied on all of the taxable property within the jurisdiction of the District, beginning as of the date hereof

and continuing in each year as long as any of the Bonds are Outstanding or any other General Obligation Debt is outstanding, a direct annual tax sufficient, to the extent other lawfully available moneys of the District are not provided, for that purpose, which tax shall be unlimited as to rate or amount. The District hereby covenants and pledges to levy, charge, collect, deposit, and apply the proceeds of such special annual tax to the payment of such debt charges on the Bonds and any other General Obligation Debt. The District acknowledges, however, that in the current fiscal year no such special annual tax would actually be required to be levied or collected in order for the District to make payments on the Bonds (and such other General Obligation Debt, if any) when due, there being sufficient other moneys lawfully available to the District for the making of such payments. The District further acknowledges that in no future fiscal year does the District currently expect that a special annual tax would actually be required to be levied or collected for the District to make payments on the Bonds (and such other General Obligation Debt, if any) when due, the District having projected there will be sufficient other moneys lawfully available to the District for the making of such payments.

Any and all proceeds derived from the special annual tax authorized above and levied from time to time, together with other lawfully available moneys of the District provided for the purpose, shall be deposited and carried in a separate and special account of the District (specifically, the Sinking Fund hereinafter provided for), held apart from all other funds of the District, and shall be applied only for the purpose of paying the principal of and interest (and premium, if any) on the Bonds as provided in this Bond Resolution and any other General Obligation Debt, if any. The proceeds of the special annual tax and the balances accumulated from time to time in the Sinking Fund are hereby irrevocably pledged for the purpose of paying the principal of and interest (and premium, if any) on the Bonds and any other General Obligation Debt, if any, and shall never be used for any other purpose. The District hereby covenants and pledges with the Bondholders that the District will levy the special annual tax in each year at whatever rates may be necessary from time to time in order to produce the amounts required in each year, to the extent funds are not otherwise provided, to pay the principal of and interest (and premium, if any) on the Bonds and such other General Obligation Debt, if any, when due.

If principal or interest (or premium, if any) on the Bonds or any other General Obligation Debt should fall due in any year at a time when there are insufficient funds on hand, collected by reason of the foregoing special annual tax levy, such principal and interest (and premium, if any) shall be paid from other available funds of the District and reimbursement therefor shall be made out of the special annual tax hereby provided, when the same has been collected.

This Bond Resolution also constitutes a continuing appropriation from such taxes and all other lawfully available Pledged Receipts, of the sum annually necessary to pay the principal of and interest (and premium, if any) on the Bonds and such other General Obligation Debt when due. The Finance Director is hereby authorized to collect taxes and any other amounts received by or on behalf of the District, and to apply the same to the payment of debt charges on the Bonds and such other General Obligation Debt and all other obligations due or coming due under the Bond Resolution or otherwise with respect to such General Obligation Debt.

Payment of the principal of and interest (and premium, if any) on the Bonds and such other General Obligation Debt when due in accordance with the foregoing provisions is subject only to

the prior application of the Pledged Receipts in accordance with the express contract rights, if any, of the holders of outstanding bonds of the District, as provided pursuant to the Act.

All moneys held in the Sinking Fund shall be deposited in a bank or banks that are members of the Federal Deposit Insurance Corporation (“FDIC”), and all such deposits that cause the aggregate deposits of the District in any one bank to be in excess of the amount insured by FDIC shall be continuously secured by a valid pledge of direct obligations of the United States of America having an equivalent market value. All or any part of the Sinking Fund may be invested in Permitted Investments, maturing or being subject to retirement at the option of the holder on such dates as the same may be needed for meeting interest and/or principal payments, and all such investments shall be carried to the credit of the Sinking Fund.

Section 9. Appointment of Bond Registrar and Paying Agent.

After a solicitation of bids, the Financial Advisor recommends and the District appoints and designates Old National Wealth Management, Evansville, Indiana, to be the Bond Registrar and Paying Agent and the District is hereby authorized to enter into a Paying Agency Agreement for the purpose of setting forth the duties and responsibilities of the Paying Agent.

Section 10. Procedures in Respect of Registration and Transfer of Bonds; Payment of Principal and Interest.

The Bond Registrar may treat for all purposes the person in whose name any Bond is registered on the Record Date, on the registration books kept by the Bond Registrar, as the absolute owner thereof.

Interest on each Bond not registered in Book-Entry Form to a Securities Depository shall be payable by check mailed by the Bond Registrar to the Holder thereof as of the Record Date, at the address shown on the registration books kept by the Bond Registrar or at such other address as is furnished to the Bond Registrar in writing by such Holder. The principal of and premium, if any, on the Bonds not registered in Book-Entry Form to a Securities Depository shall be payable, without exchange or collection charges, in lawful money of the United States of America on their presentation and surrender as they respectively become due and payable, whether at maturity or by prior redemption or acceleration, at the designated corporate trust office of the Bond Registrar. On request of a Holder of at least \$1,000,000 in aggregate principal amount of the Bonds, all payments of principal of, premium, if any, or interest on the Bonds shall be paid by wire transfer in immediately available funds to an account designated by such Holder.

Principal of, premium, if any, and interest on Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee shall be payable by wire transfer from the Bond Registrar to the Securities Depository or its nominee. So long as any Bonds remain Outstanding, the Bond Registrar shall keep and maintain at its principal trust office complete registration records in respect of the Bonds and shall provide for the registration of transfer and exchange of the Bonds in accordance with the terms of this Bond Resolution, subject to such reasonable procedures and regulations as the Bond Registrar may prescribe.

Except as may be otherwise provided in Section 11 below for Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee, each Bond shall be transferable or exchangeable only on the presentation and surrender thereof at the principal trust office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Holder or his authorized representative.

Except as may be otherwise provided in Section 11 below for Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee, Bonds shall be exchangeable for a Bond or Bonds of the same maturity, and interest rate and in Authorized Denominations, within a single maturity, in an aggregate principal amount or amounts equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Bond Registrar shall be and is hereby authorized to authenticate, deliver, and exchange Bonds in accordance herewith. Each Bond delivered in exchange for a surrendered Bond shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of this Bond Resolution to the same extent as the Bond or Bonds in lieu of which any Bond is delivered in exchange. Any Bonds surrendered for exchange shall be cancelled by the Bond Registrar and the Bond Registrar shall maintain a complete record of all exchanges, transfers and cancellations of Bonds and shall make a report thereof to the District on request.

Except as may be otherwise provided in Section 11 for Bonds registered in Book-Entry Form in the name of the Securities Depository or the Securities Depository Nominee, no service charge or other transfer fee shall be charged in connection with any transfer or exchange of a Bond. However, the registered owner of any Bond may be required to pay an amount equal to any tax or other governmental charge, if any, that may be imposed in connection with the transfer or exchange of any Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond for the period beginning 15 days prior to the selection by the Bond Registrar of Bonds to be redeemed prior to maturity and ending on the date of mailing of notice of any such redemption.

Section 11. Securities Depository; Ownership of Bonds.

Except as provided in paragraph (b) of this Section, the Bonds shall be registered in the name of the Securities Depository or the Securities Depository Nominee, and ownership thereof shall be maintained in Book-Entry Form by the Securities Depository for the account of the Agent Members thereof. Initially, the Bonds shall be registered in the name of Cede & Co., as the nominee of The Depository Trust Company. Except as provided in paragraph (b) below of this Section, the Bonds may be transferred, in whole but not in part, only to the Securities Depository or the Securities Depository Nominee, or to a successor Securities Depository selected or approved by the District or to a nominee of such successor Securities Depository. As to any Bond, the person in whose name the Bond shall be registered shall be the absolute owner thereof for all purposes, and payment of or on account of the principal of and premium, if any, and interest on any such Bond shall be made only to or on the order of the registered owner thereof or his legal representative.

(a) Neither the District nor the Bond Registrar shall have any responsibility or obligation with respect to:

- (i) the accuracy of the records of the Securities Depository or any Agent Member with respect to any beneficial ownership interest in the Bonds;
- (ii) the delivery to any Agent Member, any beneficial owner of the Bonds or any other person, other than the Securities Depository, of any notice with respect to the Bonds; or
- (iii) the payment to any Agent Member, any beneficial owner of the Bonds or any other person, other than the Securities Depository, of any amount with respect to the principal, premium, if any, or interest on the Bonds.

So long as any Bonds are registered in Book-Entry Form, the District and the Bond Registrar may treat the Securities Depository as, and deem the Securities Depository to be, the absolute owner of such Bonds for all purposes whatsoever, including without limitation:

- (i) the payment of principal, premium, if any, and interest on the Bonds;
- (ii) giving notices of redemption and other matters with respect to the Bonds;
- (iii) registering transfers with respect to the Bonds;
- (iv) selection of Bonds for redemption; and
- (v) for purposes of obtaining consents under this Bond Resolution.

Notwithstanding the definition of the term Bondholder, Bondowner, Holder or Owner herein, as referencing registered holders of the Bonds, the Bond Registrar shall be entitled to rely on written instructions from a majority of the beneficial owners of the Bonds with reference to consent, if any, required from Holders pursuant to the terms of this Bond Resolution.

(b) If at any time the Securities Depository notifies the District that it is unwilling or unable to continue as Securities Depository with respect to the Bonds, or if at any time the Securities Depository is no longer registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Securities Depository is not appointed by the District within 90 days after the District receives notice or becomes aware of such condition, as the case may be, then this Section shall no longer be applicable and the District shall execute and the Bond Registrar shall authenticate and deliver certificates representing the Bonds to the Bondholders.

Payment of principal, premium, if any, and interest on any Bonds not registered in Book-Entry Form shall be made as provided in Section 10 hereof.

Section 12. Authentication of Bonds.

The Bond Registrar shall evidence the acceptance of its duties as Bond Registrar with respect to the Bonds by executing the authentication certificate appearing on each of the Bonds. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under the Bond Resolution unless and until a certificate of authentication on such Bond, substantially in the form appearing on the form of the Bonds attached to this Bond Resolution as Exhibit A, shall have been duly executed by the Bond Registrar, and such executed certificate of the Bond Registrar on any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Resolution. The Bond Registrar's certificate of authentication on any

Bond shall be deemed to have been executed by it if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 13. Loss, Theft, Destruction or Mutilation of Bonds.

On the receipt by the District and the Bond Registrar of evidence satisfactory to them of the loss, theft, destruction or mutilation of any Outstanding Bonds, and of indemnity satisfactory to them, and on surrender and cancellation of such Bond if mutilated, the District may execute and the Bond Registrar may authenticate and deliver, on the lapse of such period of time as they may deem advisable, a new Bond of like series, tenor, and maturity bearing the same or different serial number, to be issued in lieu of such lost, stolen, destroyed, or mutilated Bond. The District and the Bond Registrar may require the payment of costs for each new Bond issued under this Section, and the furnishing of indemnity satisfactory to the District and the Bond Registrar. The Bond Registrar shall incur no liability for anything done by it under this Section in the absence of gross negligence.

Section 14. Conditions of Sale of Bonds.

The Bonds shall be sold at a publicly advertised sale, upon the basis of sealed bids, at such a time as the Superintendent or the Finance Director, as advised by the Financial Advisor, may deem desirable. The Superintendent and/or the Finance Director, are hereby authorized to prepare or cause to be prepared, the Notice of Bond Sale, Official Terms and Conditions of Bond Sale, Bid Form, Official Statement or any other offering documents, in the customary forms as may be necessary or desirable, without further action being taken, after the execution of this instrument is authorized, it being provided, however, that there shall be no sale of the Bonds unless and until the Superintendent or Finance Director accepts a successful bid for the sale of the Bonds.

Said bids shall be received in the office of the Superintendent of the District, or such other place or in such other manner as deemed appropriate by the Financial Advisor. The Superintendent or Finance Director is hereby authorized to accept the successful bid, determine the final principal maturities (terms for optional redemption prior to maturity, if any) and the exact rates of interest that said Bonds will bear, which rates of interest may be either a fixed rate or rates or a variable rate based on a percentage of an easily identifiable and calculable index formula, and the interest rates on the Bonds will be automatically set at the rates set in the Bid Form of the successful bid, without the necessity of any further action by the Board of Education fixing said rates, provided however that the successful bid shall not have a true interest cost in excess of 7% per annum. The proceeds of the sale of said Bonds shall be used only for the purposes herein described.

If for any reason it is determined that no bid should be accepted when the Bonds are first offered for public sale, then, upon recommendation of the Financial Advisor, the Superintendent or the Finance Director is authorized to re-advertise, if required, such Bonds for public sale and to approve a revised Notice of Bond Sale, Bid Form, and Official Terms and Conditions of Sale of Bonds, and to distribute same to prospective bidders, without the necessity of the Board of Education taking any further action or granting any further authority for such proceedings.

If one or more bids conform in all respects to the prescribed terms and conditions, the Superintendent or Finance Director will, on the same day that such bids are received or as soon thereafter as reasonably possible, reject all bids or accept the best of such bids, as measured in terms of the lowest true interest cost to the District, as calculated in the manner prescribed in the Official Terms and Conditions of Sale of Bonds, as is deemed in the best interest of the District.

If the Superintendent or Finance Director accepts a purchase bid for the Bonds, the Superintendent or Finance Director will issue a Sale Certificate to that effect, supply proper evidence of such acceptance to the bidder submitting the accepted bid, and thereupon arrangements will be made for the Bonds to be printed and delivered in accordance therewith and with the Official Terms and Conditions of Sale of Bonds. The proceeds of the sale of said Bonds will be used only for the purposes herein described.

Section 15. Disposition of Proceeds of Sale of Bonds.

Upon the sale and delivery of the Bonds and upon receipt by the District of the purchase price thereof, the proceeds shall be applied as follows:

- (1) To deposit an amount equal to any collected accrued interest and any surplus funds on the Bonds for the period from the date thereof to the date of delivery thereof into the Sinking Fund;
- (2) To deposit such moneys in the Costs of Issuance Fund, as are necessary to pay the issuance expenses of the Bonds; and
- (3) The entire remaining proceeds of the Bonds shall be deposited into the Construction Fund.

When the Bonds are sold and delivered, from the amount received from the purchasers there shall be paid, according to the written direction of the Superintendent or the Finance Director (which direction may include the establishment of a special, temporary trust account), all expenses incident to the authorization, sale, and delivery of the Bonds, including, but not limited to, the fee of the Financial Advisor, fees and expenses of Bond Counsel and the Paying Agent and Bond Registrar, and rating service charges; provided that all or a portion of such expenses may be paid from proceeds deposited in the Construction Fund hereinafter identified. Thereafter, the entire remaining proceeds of the Bonds shall be deposited in cash in the bank or trust company in Fayette County, Kentucky, designated at that time by the Finance Director as the place for deposit of the funds of the District and such funds shall be accounted for separately as the “Board of Education of Fayette County, Kentucky General Obligation Bonds Series 2024A Construction Fund (the “Construction Fund”). The Construction Fund shall be established and maintained as part of the District’s General Depository Account in accordance with the requirements of the Kentucky Department of Education. The proceeds of the Bonds deposited into the Construction Fund, together with all earnings thereon, shall be transferred from time to time to each bank or trust company which may be subsequently designated by the District as the District’s place of deposit of funds according to the District’s plan of rotating deposits (each of which in succession upon such designation and deposit or transfer being hereinafter called the “Construction Fund Depository”) in accordance with the procedures set forth in this Section 15.

Subject to compliance with the laws of the Commonwealth of Kentucky and the rules, regulations, and requirements of the Kentucky Department of Education, if the District's Finance Officer shall determine at any time that the amount of Bond proceeds being held in the Construction Fund for the costs of the construction, renovation, improvement and equipping of the Project exceeds the amount necessary to be disbursed therefrom for authorized purposes during the ensuing calendar month, the Finance Director may invest such excess funds in Permitted Investments; provided, however, that such Permitted Investments shall be converted into cash and deposited in the Construction Fund as and when additional cash is required to pay the costs of the construction, renovation, improvement and equipping of the Project. All such Permitted Investments shall be carried to the credit of the Construction Fund, and the income therefrom shall be deposited, as received, in the Construction Fund. Any expense necessarily incurred and reasonable as to amount in connection with the making of such Permitted Investments and the safekeeping thereof shall be paid out of the Construction Fund.

The Construction Fund Depository at which the Construction Fund is maintained shall, with respect to any funds in the Construction Fund not invested in Permitted Investments, give security for said funds by making a pledge to the Construction Fund of securities and obligations described in KRS 41.240 having a market value at least equal to such funds. The securities and obligations pledged by the Construction Fund Depository need not be of a market value exceeding the balance of funds remaining in the Construction Fund from time to time and not invested in Permitted Investments, and as such funds are disbursed from the Construction Fund the Construction Fund Depository shall be permitted to withdraw a portion of the securities and obligations so pledged as security for such funds; provided, however, there shall remain pledged at all times securities and obligations having a market value equal to the funds remaining in the Construction Fund and not invested in Permitted Investments.

The proceeds of the Bonds deposited into the Construction Fund and the earnings thereon shall be used to pay the costs of constructing, renovating, improving and equipping of the Project, and related capital costs (including capitalized interest). Each disbursement of funds shall be made by the District from the Construction Fund.

Payments from the general depository account to pay the costs of the construction, renovation, improvement and equipping of the Project shall be made upon checks drawn upon the Construction Fund Depository by the Finance Director. If, before the time when the Bonds have been delivered to the purchasers thereof and the proceeds are available, the District shall have found it necessary to advance from its own funds various sums for preliminary expenses related to the construction, renovation, improvement and equipping of the Project, the aggregate of all such advances may be reimbursed to the District upon presentation of statements signed by the Finance Director with regard thereto, in detail showing (a) that the amount or amounts for which reimbursement is requested are proper charges against the costs of the construction, renovation, improvement and equipping of the Project, and (b) that after such requested reimbursement, the funds remaining in the Construction Fund will be sufficient to defray all remaining Costs of the Project. No reimbursement shall be made to the District if the effect thereof shall be to reduce the

balance in the Construction Fund below the amount necessary to pay all remaining Costs of the Project.

After all payments from the Construction Fund have been made for the Costs of the Project, any balance remaining in the Construction Fund shall be (i) expended in the manner hereinbefore described for payment of costs of additional physical facilities for the Project or such other school building facilities as the District shall determine; or (ii) transferred to the Sinking Fund as a segregated subaccount to be used to purchase (at 100% of par or less) or to redeem Bonds when redeemable, and such balance shall not be invested at a yield exceeding the yield on the Bonds.

Pending disbursement of all moneys in the Construction Fund pursuant to this Bond Resolution, all moneys and investment obligations in the Construction Fund are pledged and subject to a lien in favor of the Bondholders for their further security.

Interest earned on investments of sums on deposit in the Construction Fund, shall be carried to the credit of the Construction Fund and applied to pay the Costs of the Project.

Section 16. Arbitrage Limitation.

(a) In this Section unless a different meaning clearly appears from the context:

(i) Reference to a provision of the Code by number or letter includes reference to any law hereafter enacted as an amendment to or substitution for such provision; and

(ii) Words which are used herein and in the Code shall have the meaning given to such words in or pursuant to the Code.

(b) The District shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the District on the Bonds shall, for the purposes of federal income taxation, be excludable from gross income of the Holders.

(c) The District shall not permit at any time or times any of the proceeds of the Bonds to be used to acquire or to replace funds which were used directly or indirectly to acquire any securities or obligations which are “higher yielding investments,” the acquisition of which would cause any Bond to be an “arbitrage bond” as defined in Section 148 of the Code.

(d) Unless the Bonds are subject to the small issuer exemption from rebate as provided in Section 18 hereof, in order to assure compliance with this Section, thereby better securing and protecting the Holders, the District from the date of adoption of this Bond Resolution covenants that it will not make or cause to be made any investment of the proceeds of Bonds that produces a yield in excess of such applicable maximum yield as may be permitted by the Code, and invest or cause the Finance Director to, and the Finance Director shall not, independent of any direction of the District, invest monies in any fund created by this Bond Resolution and allocable to the Bonds, in investment obligations that produce a yield in excess of such applicable maximum yield as may be permitted by the Code.

(e) The District further covenants that prior to the issuance of any of the Bonds, and as a condition precedent to such issuance, the District shall certify by issuance of a certificate by an authorized officer having responsibility for the receipt, disbursement, use, and investment of the proceeds of the Bonds that, on the basis of the facts, estimates, and circumstances in existence on the date of issue of the Bonds it is not expected that the proceeds of the Bonds will be used in a manner that would cause such obligations to be arbitrage bonds.

(f) The District further covenants that there shall be paid from time to time all amounts required to be rebated to the United States pursuant to Section 148(f) of the Code and any temporary, proposed, or final Treasury Regulations as may be applicable to the Bonds from time to time. This covenant shall survive payment in full or defeasance of the Bonds.

(g) Notwithstanding any provision of this Section, if the District receives an opinion of nationally recognized bond counsel to the effect that any action required under this Section is no longer required, or to the effect that some other action is required, to maintain the exclusion from gross income of the interest on the Bonds pursuant to Section 103(a) of the Code, the District may rely conclusively on such opinion in complying with the provisions hereof.

Section 17. Additional Tax Covenants.

(a) In this Section unless a different meaning clearly appears from the context:

(i) Reference to a provision of the Code by number or letter includes reference to any law hereafter enacted as an amendment to or substitution for such provision; and

(ii) Words that are used herein and in the Code shall have the meaning given to such words in or pursuant to the Code.

(b) The District has previously covenanted in Section 16(b) hereof that the District shall at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the District on the Bonds shall, for the purposes of federal income taxation, be excludable from gross income of the Holders.

(c) In furtherance of the foregoing covenant, the District further hereby covenants as follows: (i) no portion of the payment of the principal of or interest on the Bonds is under the terms of such bond issue, or under any underlying arrangement, directly or indirectly secured by an interest in property used or to be used for a private business use (or by an interest in payments in respect of such property), or to be derived from payments (whether or not to the District) in respect of property, or borrowed money, used or to be used for a private business use; and (ii) none of the proceeds of the Bonds are to be used (directly or indirectly) to make or finance loans to persons other than governmental units, all within the meaning of section 141 of the Code, in any of such cases unless such use or other arrangement will not cause the interest on the Bonds to be included in gross income for federal income tax purposes.

Section 18. Rebate Provisions.

The District covenants and agrees that in the event it is subsequently determined by the District, upon advice of nationally recognized bond counsel, that the Sinking Fund, Construction Fund or any other fund established under this Bond Resolution, are subject to said rebate requirements and do, in fact, generate earnings from “non-purpose investments” in excess of the amount that said investments would have earned at a rate equal to the “yield” on the Bonds, plus any income attributable to such excess, there shall be established a separate and special fund with the Paying Agent to be designated as the “Board of Education of Fayette County, Kentucky General Obligation Bonds Series 2024A Rebate Fund,” which shall be utilized for the collection and payment of any excess generated from investments and the remittance thereof to the United States of America until the final retirement of the Bonds; the installment, to the extent required, to be made no later than sixty (60) days following the date on which funds sufficient for the complete retirement of the Bonds are deposited with the Paying Agent or any escrow agent.

Section 19. Creation of Funds.

(a) *Sinking Fund.* There is hereby created the “Board of Education of Fayette County, Kentucky General Obligation Bonds Sinking Fund” (the “Sinking Fund”) to be deposited with the Paying Agent, into which there shall be set aside out of the proceeds of the sale of the Bonds the amount of any accrued interest on said Bonds from their issuance date to their date of delivery and any surplus funds resulting from the sale of the Bonds. The Sinking Fund shall be used solely and only and is hereby pledged for the payment of the interest on and principal of the Bonds.

Funds on deposit in the Sinking Fund may be invested at the written direction of the District, in accordance with KRS 66.480, in Permitted Investments. The Paying Agent may rely on such written directions as to both the suitability and legality of the directed investment. All income earned from investment of moneys in the Sinking Fund (including the capitalized interest, if any, deposited therein) shall, as earned, be used to pay principal and interest on the Bonds.

No further payments need be made into the Sinking Fund whenever and so long as such amount of the Bonds has been retired that the amount then held in the Sinking Fund is equal to (or sufficient to defease) the entire amount of the interest and principal (and redemption premium, if any) that will be payable to the Bondholders at the time of the retirement and/or maturity of all the Bonds then remaining outstanding.

(b) *Costs of Issuance Fund.* There is hereby separately created the “Board of Education of Fayette County, Kentucky General Obligation Bonds Series 2024A Costs of Issuance Fund” (the “Costs of Issuance Fund”), which shall also be deposited with the Paying Agent as and when needed, into which Costs of Issuance Fund there shall be set aside and deposited the issuance costs of the Bonds. Funds on deposit in the Costs of Issuance Fund shall not be invested and shall be held by the Paying Agent without liability for interest. On the payment or reimbursement of all costs of issuance of the Bonds, any proceeds of such Bonds or any investment earnings thereof remaining in the Costs of Issuance Fund after six (6) months from the date of delivery of the Bonds, shall be transferred by the Paying Agent to the Sinking Fund.

(c) *Construction Fund.* There is hereby created the “Board of Education of Fayette County, Kentucky General Obligation Bonds Series 2024A Construction Fund” (the “Construction Fund”) to be deposited with the Construction Fund Depository, into which there shall be deposited for the Project the entire remaining proceeds of the Bonds.

Funds on deposit in the Construction Fund may be invested in accordance with KRS Section 66.480 in Permitted Investments upon written direction of the District. The investment of funds may be made or transacted by the Construction Fund Depository through the Construction Fund Depository’s investment department. All income earned from investment of moneys in the Construction Fund shall be kept in the Construction Fund and used to pay the Costs of the Project.

Whenever the Project is complete, as evidenced by the certifications of the Required Signatures, any surplus then remaining in the Construction Fund shall then be transferred to the Sinking Fund, subject to the provisions of Section 15 of this Bond Resolution.

Section 20. Defeasement.

(a) If the District pays or causes to be paid, or there is otherwise paid as hereinafter set out in this Section, the principal and interest due or to become due on the Bonds, at the times and in the manner provided herein, and all other amounts due to the Paying Agent have been paid, and if the District keeps, performs, and observes all and singular the covenants and promises in the Bonds and expressed herein to be kept, performed, and observed by it or on its part, then these presents, and the pledge, lien, and other rights hereby granted shall cease, terminate, and be void, and thereupon the Paying Agent shall execute and deliver to the District such instruments in writing as shall be requisite to cancel the lien hereof, and assign and deliver to the District any pertinent property encumbered hereby that may then be in its possession, except funds, or securities in which such funds are invested, held by the Paying Agent and earmarked for the payment of principal of and interest on the Bonds.

(b) All Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed above if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the District has given to the Paying Agent in form satisfactory to it irrevocable instructions to give notice of redemption of such Bonds on said date as provided herein, (b) there has been deposited with the Paying Agent (1) moneys in an amount that is sufficient, and/or (2) U. S. Obligations, the principal of which, with or without the interest on such principal, as the case may be, will provide moneys that together with other moneys, if any, deposited with the Paying Agent at the same time, shall be sufficient, to pay when due the principal and the interest due and to become due (and, where applicable, the redemption premium) on the Bonds on and prior to the redemption date and/or the maturity date thereof, as the case may be, and (c) in the event any of the Bonds are not to be redeemed in accordance with the redemption provisions hereof within the next succeeding 60 days, the District shall have given the Paying Agent, in form satisfactory to it, irrevocable instruction to give, as soon as practicable, in the same manner as a notice of redemption is required to be given herein, a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Paying Agent, that said Bonds are deemed to have been paid in accordance with this Section, and stating such maturity and/or redemption date upon which moneys are to be available for the payment of the principal of and interest on said Bonds.

(c) Nothing contained in this Section shall require that any Bonds be redeemed in advance of maturity without the written consent of the District unless (i) such redemption is then considered by the Paying Agent to be in the best interests of the District and the Bondholders and (ii) no right to defease the Bonds without redemption in advance of maturity shall have become vested.

(d) No investment may be made by the District under this Section that would cause the Bonds to become “arbitrage bonds” within the meaning of Section 148 of the Code or the applicable Regulations thereunder.

(e) At least 5 Business Days prior to any defeasance, the District shall deliver to the Paying Agent and the Bond Insurer (if any) copies of an escrow agreement, opinions regarding the validity and enforceability of the escrow agreement, a verification report (a “Verification Report”) of a nationally recognized independent financial analyst or firm of certified public accountants regarding sufficiency of the escrow and a defeasance legal opinion. Such opinions and Verification Report shall be addressed to the Bond Insurer and shall be in form and substance satisfactory to the Bond Insurer. In addition, the escrow agreement shall provide that:

(1) Any substitution of securities shall require the delivery of a Verification Report, an opinion of bond counsel that such substitution will not adversely affect the exclusion (if interest on the Insured Obligations is excludable) from gross income of the holders of the Insured Obligations of the interest on the Insured Obligations for federal income tax purposes and the prior written consent of the Bond Insurer.

(2) The District will not exercise any prior optional redemption of Insured Obligations secured by the escrow agreement or any other redemption other than mandatory sinking fund redemptions unless (i) the right to make any such redemption has been expressly reserved in the escrow agreement and such reservation has been disclosed in detail in the official statement for the refunding bonds, and (ii) as a condition to any such redemption there shall be provided to the Bond Insurer a Verification Report as to the sufficiency of escrow receipts without reinvestment to meet the escrow requirements remaining following any such redemption.

(3) The District shall not amend the escrow agreement or enter into a forward purchase agreement or other agreement with respect to rights in the escrow without the prior written consent of the Bond Insurer.

Section 21. Covenant as to Insurance/Audits.

The District agrees that so long as any of the Bonds are outstanding it will cause the following covenants to be complied with:

(a) *Insurance.* It will keep the Project insured against loss or damage by fire, windstorm, tornado, or other casualties to an extent at least equal to the insurable value thereof, and such other forms of insurance shall be carried in such amounts as are ordinarily carried for property of like character in a responsible insurance company or companies authorized to do

business in the Commonwealth. Any amount collected under said policies for any loss covered or damage done shall first be applied to the replacement or restoration of any building or buildings damaged or destroyed, and any surplus then remaining after such replacement or restoration shall be paid into the Sinking Fund, depending on whether the Bonds are Outstanding; provided that if following any partial or complete destruction, any principal or interest payment on the Bonds is due and there are no other funds available for such payment(s), such insurance proceeds must be applied first to the defaulted payment(s). All insurance to be maintained hereunder shall not be part of a self-insurance program.

(b) *Audits.* It will, as soon as may be feasible after the close of each fiscal year, in any event, not later than December 31st thereafter, cause an audit of the financial affairs of the District to be made by a Certified Public Accountant or the State Auditor, covering the status of payments of principal of and interest on the Bonds.

It will cause a copy of such audit report to be kept on file with the District, where such copy will be subject to inspection at any reasonable time by or on behalf of any Holder of Outstanding Bonds. It will furnish or cause to be furnished, a copy of such audit report to any Holder of said Bonds who shall request same in writing.

Section 22. Default; Remedies.

(a) *Events of Default.* The following shall be considered an “Event of Default” under this Bond Resolution:

(1) Failure to pay any installment of interest on the Bonds when the same becomes due and payable or within thirty (30) days thereafter (or within such period, shorter than thirty (30) days, if any, as may be permitted in the Bonds);

(2) Failure to pay the principal of, or premium, if any, on any Bond when due and payable, at maturity or on redemption; and

(3) Default by the District in the due or punctual performance or observance of any other covenants, pledges, conditions, provisions or agreements of the District contained in this Bond Resolution or in the Bonds, and the continuance thereof for a period of thirty (30) days; provided that if such default can be corrected but not within such thirty-day period, it will not constitute an Event of Default if corrective action is instituted by the District within such period and diligently pursued until the default no longer exists.

(b) *Enforcement of Remedies.* On the happening and continuance of any Event of Default, then and in every case any Bondholder, either at law or in equity, by suit, action, mandamus or other proceedings, may enforce and compel performance by the District and its officers and agents of all duties imposed under the Act, under other applicable law, if any, under the Bonds, and under this Bond Resolution, including the levying and collection of sufficient taxes and the application thereof to the payment of principal of and interest (and premium, if any) on the Bonds in accordance with the provisions of this Bond Resolution and the Bonds.

(c) *Notice of Default.* The Bond Registrar shall as promptly as practicable, provide to the District and the Bondholders written or electronic notice of the occurrence of any Event of Default known to the Bond Registrar. The Bond Registrar shall not, however, be subject to any liability to any Bondholder by reason of its failure to mail any notice required by this Section.

(d) *Delay or Omission.* No delay or omission of any Bondholder to exercise any right or power arising on any default shall impair any right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy afforded by this Section and every additional power and remedy, if any, afforded by the terms of the Bonds to the Bondholders may be exercised from time to time and as often as may be deemed expedient by the Bondholders.

(e) *Waivers of Events of Default.* Any Bondholder may on behalf of such Holder waive any past default under this Bond Resolution or under the Bonds and the consequences thereof; and in case of any such waiver, the District, the Bond Registrar and such Bondholder shall be restored to their former positions and rights hereunder and under the Bonds respectively, but no such waiver shall extend to any subsequent or other default, or impair any right consequent thereon.

(f) *Termination of Proceedings.* If any Bondholder has proceeded to enforce any right due to any Event of Default and such proceedings have been discontinued or abandoned for any reason, or have been determined adversely to the Bondholder, then and in every case the District, the Bond Registrar and the Bondholder shall, subject to any determination in such proceeding, be restored to their former positions and rights hereunder, and all rights of such Bondholder shall continue as if no such proceedings had been taken.

(g) *Remedies Not Exclusive.* No remedy by the terms of this Bond Resolution or the Bonds conferred on or reserved to the Bondholders is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under this Bond Resolution as now or hereafter existing at law or in equity or by statute.

Section 23. Concerning Provision of a Municipal Bond Insurance Policy and a Bond Insurer.

The District hereby authorizes the Superintendent, in consultation with the Financial Advisor and Bond Counsel, to purchase a Bond Insurance Policy from a Bond Insurer to guarantee the scheduled payment of principal of and interest on any of the Bonds, and to enter into a separate written agreement between the District and a Bond Insurer for the purpose of obtaining said Bond Insurance Policy.

Section 24. Rights of Bondholders.

Notwithstanding any other provisions herein contained, the Bondholders shall have all of the rights provided for thereunder to require the District to operate the Project and to charge whatever rents and rates are necessary for the services provided by such facilities and to levy such taxes as provided for in the Act, within any limitations imposed by law, in order that all of the interest on and the principal of such Bonds shall be paid in full.

The Holders of such Bonds shall be secured to the full extent provided by law by a pledge of the tax and other revenues of the District in accordance with the terms of the Act.

Section 25. Bond Resolution is Contractual with Bondholders.

The provisions of this Bond Resolution and of any authorized supplemental resolution entered into prior to the delivery and payment of the Bonds to the successful purchaser(s), shall constitute a contract between the District, the Paying Agent, and the Holders of any Bonds. No change in the provisions of this Bond Resolution or of any supplemental resolution shall be made in any manner except as herein provided until such time as all of the Bonds and the interest thereon have been paid in full; provided:

(a) the District may adopt a supplemental resolution for the purpose of curing any ambiguity, or of curing, correcting, or supplementing any defective or inconsistent provisions contained herein or in any proceedings pertaining hereto, provided no change may be made that would impair the security or interests of the Bondholders in any way, without (1) the consent in writing of the original successful purchaser of the Bonds, if the Bonds have not yet been delivered or (2) the consent of seventy-five percent (75%) in amount of the Holders of the Outstanding Bonds, if the Bonds have been delivered; and

(b) the Holders of seventy-five percent (75%) in principal amount of the Bonds at any time outstanding shall have the right to consent to, and approve the adoption of resolutions, ordinances or other proceedings, modifying or amending any of the terms or provisions contained in this Bond Resolution; provided, however, that no such modifications or amendments shall be made that will permit: (1) an extension of the maturity of any Bond, or any parity bond, or (2) a reduction in the principal of any Bond, or any parity bonds, or the redemption premium or the rate of interest thereon, or (3) a preference or priority of any Bond or parity bond over any other bond or bonds, or (4) a reduction in the percentage of the aggregate principal amount of the Bonds required to consent to any modification or amendment, or (5) impair in any way the rights of the Holders of any Bond.

Section 26. Annual Disclosure Requirements.

In accordance with the requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission (the “Commission”), the District agrees to enter into a Disclosure Agreement dated as of the date of original issuance of the Bonds, setting forth the undertaking of the District to provide certain annual financial reports and notices of the occurrence of certain events. The District will deliver the Disclosure Agreement at the closing of the Bonds.

Financial information regarding the District can be obtained from the Finance Director at the District’s offices.

The obligations of the District described above will remain in effect only for such period that (i) the Bonds are outstanding in accordance with their terms and (ii) that the District remains an obligated person with respect to the Bonds within the meaning of the Rule. The District reserves the right to terminate its obligation to provide notices of material events, as set forth above, if and when the District no longer remains an obligated person with respect to the Bonds within the

meaning of the Rule. The District acknowledges that its undertaking pursuant to the Rule described under this Section is intended to be for the benefit of the Bondholders (including holders of beneficial interests in the Bonds).

In the event of a failure of the District to comply with any provision of this Section, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this Section. A default under this Section will not be deemed an Event of Default under the Bond Resolution, and the sole remedy under this Section, in the event of any failure of the District to comply with this Section, will be an action to compel performance.

Notwithstanding any other provision of this Bond Resolution, this Section may be amended, if the District receives an opinion of independent legal counsel to the effect that:

(i) such amendment is made in connection with a change in circumstances that arises from a change in legal requirements, a change in law or a change in the types of activities in which the District is engaged;

(ii) this Section as so amended, would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(iii) such amendment does not materially impair the interests of the Bondholders.

Section 27. Acceptance of Paying Agent.

The Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing the Paying Agent Agreement and by executing the Paying Agent's Certificate of Authentication endorsed upon each of the Bonds.

Section 28. Duties and Responsibilities of Paying Agent.

The duties of such Paying Agent shall be as follows:

(a) To receive such funds of which it is hereby designated depository and to transfer and disburse moneys received by it in strict accordance with the provisions hereof; but such Paying Agent shall not be liable for the payment of any moneys by the District, and shall be liable only to account for the moneys actually received by it;

(b) To authenticate the Bonds as herein provided; and

(c) To pay the interest on and principal of the Bonds as same fall due, if and to the extent that there are moneys in the Sinking Fund sufficient for such purposes.

Section 29. Immunities and Other Rights of Paying Agent.

The acceptance by the Paying Agent of the duties and responsibilities herein is subject to the following immunities and other rights of the Paying Agent:

(a) The Paying Agent shall not be required to take notice or be deemed to have notice of any default hereunder, except failure by the District to cause to be made any of the payments to the Paying Agent required to be made by this Bond Resolution, or failure by the District to file with the Paying Agent any document required by this Bond Resolution to be so filed, unless the Paying Agent shall be notified of such default by the District or by the Holders of 25% in aggregate principal amount of Bonds then outstanding.

(b) The Paying Agent may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers, or employees, but shall be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to act upon the opinion or advice of its counsel concerning all matters of trust hereof and the duties hereunder, and may in all cases pay reasonable compensation to all such attorneys, agents, receivers, and employees as may reasonably be employed in connection with the trust hereof. The Paying Agent may act upon an opinion of its counsel and shall not be responsible for any loss or damage resulting from any action or non-action by it taken or omitted to be taken in good faith and in reliance upon such opinion.

(c) The Paying Agent shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Paying Agent and its directors, officers, employees or agents, may in good faith buy, sell, own, hold, and deal in the Bonds and may join in any action that any Bondholder may be entitled to take with like effect as if such bank or trust company were not the Paying Agent, and may also receive tenders and purchase in good faith Bonds from itself, including any department, affiliate, or subsidiary, with like effect as if it were not the Paying Agent.

(d) The Paying Agent shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram, or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Paying Agent pursuant to this Bond Resolution upon the request, authority, or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond, shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper, or proceeding, the Paying Agent shall be entitled to rely upon a certificate signed on behalf of the District by its Chairperson and attested by its Secretary, or by such other person or persons as may be designated for such purposes by resolution of the District, as sufficient evidence of the facts therein contained; and prior to the occurrence of a default of which the Paying Agent has been notified as provided in Section 22 hereof, or of which by said provision it is deemed to have notice, may also accept a similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Paying Agent may accept a certificate of the Secretary of the District to the effect that a resolution

in the form therein set forth has been adopted by the District as conclusive evidence that such resolution has been duly adopted and is in full force and effect.

(f) The permissive right of the Paying Agent to do things or to take actions enumerated in this Bond Resolution shall not be construed as a duty and the Paying Agent shall not be answerable for other than its negligence or willful misconduct. No provision of this Bond Resolution shall require the Paying Agent to risk or to expend its own funds.

(g) The Paying Agent shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts during any period in which it may be in the possession of or managing the Project as provided in this Bond Resolution.

(h) The Paying Agent shall not be required to give any bond or surety in respect of the execution of such powers or otherwise in respect of the premises.

(i) Notwithstanding anything elsewhere contained in this Bond Resolution, the Paying Agent shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Bond Resolution, any showings, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that required by the terms hereof, as a condition of establishing the right of the District to the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Paying Agent.

(j) Before taking any action under this Bond Resolution, the Paying Agent may require that satisfactory indemnity be furnished to it for the reimbursement of all fees and expenses to which it may be put and to protect it against all liability, except liability that is adjudicated to have resulted from its negligence or willful misconduct, by reason of any action so taken.

(k) All moneys received by the Paying Agent shall, until used, be applied or invested as herein provided, be held in the manner and for the purposes for which they were received but need not be segregated from other funds except to the extent required by this Bond Resolution or by law. The Paying Agent shall not be under any liability for interest on any moneys received thereunder except as such may be agreed upon.

(l) The Paying Agent agrees to accept and act upon instructions or directions pursuant to this Bond Resolution sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that the instructions or directions shall be signed by a person as may be designated and authorized to sign for the District or in the name of the District, by an authorized representative of the District, and the District shall provide to the Paying Agent an incumbency certificate listing such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the District elects to give the Paying Agent e-mail or facsimile instructions (or instructions by a similar electronic method) and the Paying Agent in its discretion elects to act upon such instructions, the Paying Agent's understanding of such instructions shall be deemed controlling. The Paying Agent shall not be liable for any losses, costs, or expenses arising directly or indirectly from the Paying Agent's

reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The District agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Paying Agent, including without limitation the risk of the Paying Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 30. Fees, Charges, and Expenses of Paying Agent.

The Paying Agent shall be entitled to payment of and reimbursement for reasonable fees for its services rendered hereunder and for all advances, counsel fees, and other expenses reasonably and necessarily made or incurred by the Paying Agent in connection with such services. The Paying Agent shall be entitled to payment and reimbursement for the reasonable fees and charges of the Paying Agent as paying agent for the Bonds, if any, as hereinabove provided.

Section 31. Merger or Consolidation of Paying Agent.

Any corporation or association into which the Paying Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation, or transfer to which it is a party, shall be and become successor Paying Agent hereunder and vested with all the trusts, powers, discretion, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed, or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 32. Replacement of Paying Agent.

In case the Paying Agent hereunder shall resign or be removed, or be dissolved, or otherwise become incapable of acting hereunder, the Paying Agent shall notify the Superintendent and the initial purchaser or purchasers of the Bonds. Thereupon, the District shall designate a successor Paying Agent that shall be a trust company or bank in good standing having trust powers and subject to examination by a federal or state authority and have a reported combined surplus and capital aggregating at least \$75,000,000. Notwithstanding the foregoing, in the event of the resignation of the Paying Agent, provision shall be made for the orderly transition of the books, records, and accounts relating to the Bonds to the successor Paying Agent in order that there will be no delinquencies in the payment of interest or principal due on the Bonds.

The Bond Insurer shall receive prior written notice of any name change of the Paying Agent for the Insured Obligations or the resignation or removal of the Paying Agent. No removal, resignation, or termination of the Paying Agent shall take effect until a successor, acceptable to the Bond Insurer, shall be qualified and appointed.

Section 33. Signatures of Officers.

If any of the officers whose signatures or facsimile signatures appear on any of the Bonds cease to be such officers before delivery of the Bonds, such signatures shall nevertheless be valid for all purposes the same as if said officers had remained in office until delivery, as provided in KRS 61.390.

Section 34. Terms of Bonds and this Bond Resolution May be Revised Before Issuance.

The District reserves the right, prior to the issuance of the Bonds, to amend this Bond Resolution as to the date, amount, maturities, redemption premiums, and other provisions of the Bonds, consistent with market conditions and other pertinent factors at the time of such issuance.

Section 35. Severability Clause.

If any section, paragraph, clause or provision of this Bond Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this Bond Resolution.

Section 36. Captions of Clauses.

The captions and headings of this Bond Resolution are for convenience only and are not to be construed as part of this instrument nor as defining or limiting in any way the scope or intent of the provisions hereof.

Section 37. Effective Date of Bond Resolution; Publication of Summary.

This Bond Resolution shall take effect from and after its enactment, adoption, and approval.

REGISTERED OWNER:

PRINCIPAL AMOUNT:

The Board of Education of Fayette County, Kentucky (the “District”), a political subdivision of the Commonwealth of Kentucky (the “Commonwealth”), acknowledges itself to owe, and for value received hereby promises to pay to the Registered Owner hereof, or registered assigns, the Principal Amount shown above on the Maturity Date shown above, and to pay interest thereon from the Original Issue Date hereof at the Interest Rate per annum shown above (computed on the basis of a 360-day year consisting of twelve 30-day months), payable semiannually, on ____ 1 and _____ 1 of each year commencing ____ 1, 2025 (each an “Interest Payment Date”), until payment of the Principal Amount on the Maturity Date, except as the provisions hereinafter set forth with respect to prior redemption or purchase may be and become applicable hereto.

This Bond is one of a duly authorized series of fully-registered bonds, numbered consecutively and designated as above, issued by the District, the terms of which are more fully identified in a bond resolution (the “Bond Resolution”) duly enacted by the Board of Education of the District on July 22, 2024. Capitalized words and terms that are not defined here are defined in the Bond Resolution, to which reference is hereby made.

The Bonds are issued or entered into under or pursuant to authorizing provisions of law, including: (i) the Bond Resolution, (ii) authorizing provisions of the Constitution and laws of the Commonwealth, including Sections 66.011 through 66.191 and Sections 162.010 through 162.387 of the Kentucky Revised Statutes, as amended (collectively the “Act”), and Kentucky Constitution Sections 158 and 159, and (iii) applicable decisions of the appellate courts of the Commonwealth. Acceptance of the terms and conditions of the Bond Resolution and the Act are a material part of the consideration for the issuance of this Bond, and each holder hereof by acceptance of this Bond hereby assents to all of such terms and conditions. This Bond shall not constitute the personal

obligation, either jointly or severally, of the members of the Board of Trustees of or the officers of the District or its employees.

This Bond, by the terms of the law pursuant to which it has been issued, shall be fully negotiable.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Authentication Certificate hereon has been executed by the Bond Registrar.

Bonds issued under the Bond Resolution shall be issued and reissued from time to time only as fully-registered bonds without coupons in denominations of \$5,000 or any multiple of \$5,000.

Pursuant to the Bond Resolution, the Bonds are general obligations of the District and the full faith, credit, and taxing power of the District are irrevocably pledged to the prompt payment of the principal of and interest (and premium, if any) on the Bonds when due. Reference is made to the Bond Resolution for the provisions with respect to the nature and extent of the security, the rights, duties, and obligations of the District, the Bond Registrar and the Bondholders, the terms on which the Bonds are issued and the terms and conditions on which this Bond will be deemed to be paid at or prior to its scheduled maturity or redemption on the making of provision for the payment thereof in the manner set forth in the Bond Resolution.

Pursuant to the Act and the Bond Resolution, the Bond Registrar is appointed as Bond Registrar, having the duties set forth in the Bond Resolution. The fifteenth day of the month prior to each date established for payment of principal, interest, or premium on the Bonds, whether by maturity, acceleration, or redemption, is in the Bond Resolution established as the record date for the Bonds (the "Record Date"). The Bond Registrar may treat for all purposes the person in whose name any Bond is registered on the Record Date, on the registration books kept by the Bond Registrar, as the absolute owner thereof.

Subject to the provisions of the Bond Resolution, (i) the principal of and any premium on any Bond shall be payable, without exchange or collection charges, in lawful money of the United States of America, when due (a) on any Bond held in a Book-Entry Form, registered in the name of a Securities Depository or its nominee, in next day or federal funds by check or wire transfer delivered or transmitted to the Securities Depository or its authorized representative upon presentation and surrender of such Bond at the designated corporate trust office of the Paying Agent or at the office, designated by the Paying Agent, of any other paying agent, and (b) on any Bond not in a Book-Entry Form, to a Holder upon presentation and surrender of such Bond at the designated corporate trust office of the Paying Agent, and (ii) interest on any Bond shall be paid, without exchange or collection charges, in lawful money of the United States of America, on each Interest Payment Date (a) on any Bond held in a Book-Entry Form, registered in the name of a Securities Depository or its nominee, in next day or federal funds by check or wire transfer delivered or transmitted to the Securities Depository or its authorized representative and (b) on any Bond not in a Book-Entry Form, to the person in whose name the Bond is registered at the

close of business on the Record Date applicable to that Interest Payment Date on the Register at the address appearing therein by check or draft, which the Paying Agent shall cause to be mailed on the Interest Payment Date when such interest is due.

So long as any Bonds remain Outstanding, the Bond Registrar shall keep and maintain at its designated corporate trust office complete registration records in respect of the Bonds and shall provide for the registration of transfer and exchange of the Bonds in accordance with the terms of the Bond Resolution, subject to such reasonable procedures and regulations as the Bond Registrar may prescribe.

Payment of principal, premium, if any, and interest on any Bonds shall be made as provided in the Bond Resolution.

Each Bond shall be transferable or exchangeable only on the presentation and surrender thereof at the designated corporate trust office of the Bond Registrar, duly endorsed for transfer or accompanied by an assignment duly executed by the Holder or her authorized representative. Bonds shall be exchangeable for a Bond or Bonds of the same maturity and interest rate and in Authorized Denominations, within a single maturity in an aggregate principal amount or amounts equal to the unpaid principal amount of the Bond or Bonds presented for exchange. The Bond Registrar shall be and is authorized to authenticate, deliver, and exchange Bonds in accordance with the Bond Resolution. Each Bond delivered in exchange for a surrendered Bond shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of the Bond Resolution to the same extent as the Bond or Bonds in lieu of which any Bond is delivered in exchange. Any Bonds surrendered for exchange shall be cancelled by the Bond Registrar and the Bond Registrar shall maintain a complete record of all exchanges, transfers and cancellations of Bonds and shall make a report thereof to the District on request.

No service charge or other transfer fee shall be charged in connection with any transfer or exchange of a Bond; however, the registered owner of any Bond may be required to pay an amount equal to any tax or other governmental charge, if any, that may be imposed in connection with the transfer or exchange of any Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond for the period beginning fifteen (15) days prior to the selection by the Bond Registrar of Bonds to be redeemed prior to maturity and ending on the date of mailing of notice of any such redemption.

The Bonds maturing prior to _____ 1, ____ shall not be subject to optional redemption prior to maturity. The Bonds maturing on or after _____ 1, _____, are subject to optional redemption, in whole or in part, by the District prior to their stated maturities, at any time falling on or after _____ 1, _____, and in any order of maturities (less than all Bonds of a single maturity to be selected by the Bond Registrar by lot in such manner as may be determined in the discretion of the Bond Registrar) upon payment of 100% of the principal amount to be redeemed plus accrued interest to the date of redemption.

If the Project is destroyed by fire, lightning, windstorm, or other hazard, and the District determines not to rebuild or replace the Project, then the Bonds shall be subject to redemption at

the option of and by the District prior to maturity, in whole or in part, in any order of their maturities (less than all of a single maturity to be selected by lot), at par, plus unpaid interest accrued to the date of redemption.

The Bond Registrar shall give notice of redemption by registered or certified mail, overnight delivery, or e-mail not less than 25 nor more than 60 days prior to the redemption date to each Holder of Bonds to be redeemed or tendered at the address of such Holder appearing in the Bond Register, and also to such other Persons as the District shall deem appropriate.

Neither the failure of any Holder to receive notice mailed as provided herein nor any defect in notice so mailed shall affect the validity of the proceedings for redemption in accordance with the Bond Resolution.

In the case for an optional redemption pursuant to the Bond Resolution, the notice of redemption may state (i) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent no later than the redemption date or (ii) that the District retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional or extraordinary redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded in writing, and disseminated to each Holder of the Bonds in accordance with the procedures set forth in the Bond Resolution, no later than 7 days prior to the redemption date.

Notice of redemption having been given as aforesaid, the Bonds so to be redeemed shall become due and payable on the redemption date at the redemption price specified, and on and after such date (unless the District shall default in the payment of the redemption price) such Bonds shall cease to bear interest. Upon surrender of any such Bond for redemption in accordance with such notice, such Bond shall be paid at the redemption price thereof.

IT IS HEREBY CERTIFIED, RECITED, AND DECLARED that all acts, conditions, and things required to exist, happen, and be performed precedent to and in the execution, delivery, and issuance of this Bond have existed, have happened and have been performed in due time, form, and manner as required by law; that the issuance of this Bond and the issue of which it forms a part, together with all other obligations of the District, does not exceed or violate any limitations prescribed by the Constitution or laws of the Commonwealth; that provision has been made for the levying and collection of an annual tax, unlimited as to rate or amount, sufficient, to the extent other lawfully available moneys of the District are not provided for the purpose, to pay the principal of and interest on this Bond and the series of which it is a part as and when the several Bonds and interest thereon become due and payable; and that the full faith, credit, and taxing power of the District are hereby irrevocably pledged for the prompt payment of this Bond and the series of which it forms a part, and the interest thereon, as the same from time to time become due and payable.

IN WITNESS WHEREOF, the Board of Education of Fayette County, Kentucky has caused this Bond to be executed on its behalf with the duly authorized reproduced facsimile signature or manual signature of its Chairperson and attested by the reproduced facsimile signature or manual signature of its Secretary, and this Bond is to be dated as of the date set forth above.
