The parties submit to the jurisdiction and laws of Kentucky, except for arbitration which is governed by the FAA and the arbitration rules and agree that any litigation or arbitration between the parties shall be commenced and maintained in the county where ES's principal place of business is located. The parties waive trial by jury in any action between them unless prohibited by law. Any action between the parties must be commenced within one year of the accrual of the cause of action or shall be barred. All actions or proceedings by either party must be based on the provisions of this agreement. Any other action that Subscriber may have or bring against ES in respect to other services rendered in connection with this agreement shall be deemed to have merged in and be restricted to the terms and conditions of this agreement.

SUBSCRIBER ACKNOWLEDGES THAT THIS AGREEMENT CONTAINS AN AGREEMENT TO ARBITRATE DISPUTES AND THAT ARBITRATION IS BINDING AND FINAL AND THAT SUBSCRIBER IS WAIVING SUBSCRIBER'S RIGHT TO TRIAL IN A COURT OF LAW AND OTHER RIGHTS.

24. ES'S RIGHT TO SUBCONTRACT SPECIAL SERVICES: Subscriber agrees that ES is authorized and permitted to subcontract any services to be provided by ES to third parties who may be independent of ES, and that ES shall not be liable for any loss or damage sustained by Subscriber by reason of fire, theft, burglary or any other cause whatsoever caused by the negligence of third parties. Subscriber appoints ES to act as Subscriber's agent with respect to such third parties, except that ES shall not obligate Subscriber to make any payments to such third parties. Subscriber acknowledges that this agreement, and particularly those paragraphs relating to ES's disclaimer of warranties, exemption from liability, even for its negligence, limitation of liability and indemnification, inure to the benefit of and are applicable to any assignees, subcontractors, manufacturers, vendors and Monitoring Center of ES.

In the event ES discovers the presence of suspected asbestos or other hazardous material, ES shall stop all work immediately and notify Subscriber. It shall be Subscriber's sole obligation to remove such conditions from the premises, and if the work is delayed due to the discovery of suspected asbestos or other hazardous material or conditions then an extension of time to perform the work shall be allowed and Subscriber agrees to compensate ES for any additional expenses caused by the delay but not less than \$1000.00 per day until work can resume. If ES, in its sole discretion, determines that continuing the work poses a risk to ES or its employees or agents, ES may elect to terminate this agreement on 3 day notice to Subscriber and Subscriber shall compensate ES for all services rendered and material provided to date of termination. ES shall be entitled to remove all its equipment and uninstalled equipment and material from the job site. Under no circumstances shall ES be liable to Subscriber for any damage caused by mold or hazardous conditions or remediation thereof.

26. NON-SOLICITATION: Subscriber agrees that it will not solicit for employment for itself, or any other entity, or employ, in any capacity, any employee of ES assigned by ES to perform any service for or on behalf of Subscriber for a period of two years after ES has completed providing service to Subscriber. In the event of Subscriber's violation of this provision, in addition to injunctive relief, ES shall recover from Subscriber an amount equal to such employee's salary based on the average three months preceding employee's termination of employment with ES, times twelve, together with ES's counsel and expert witness fees.

27. In the event of termination of police or fire department response this agreement shall nevertheless remain in full force and Subscriber shall remain liable for all payments provided for herein. In the event Subscriber or any third party subpoenas or summons ES requiring any services or appearances, Subscriber agrees to pay ES \$120 per hour for such services and appearances. Subscriber shall reimburse ES for any Monitoring Center charges for excessive, run-a-way or false alarm signals.

28. SECURITY INTEREST / COLLATERAL: To secure Subscriber's obligations under this agreement Subscriber grants ES a security interest in the security equipment installed by ES and ES is authorized to file a financing statement.

29. CREDIT INVESTIGATION: Subscriber and any guarantor authorize ES to conduct credit investigations from time to time to determine Subscriber's and guarantor's credit worthiness.

30. FULL AGREEMENT / SEVERABILITY: This agreement along with the Schedule of Equipment and Services constitute the full understanding of the parties and may not be amended, modified or canceled, except in writing signed by both parties. Subscriber acknowledges and represents that Subscriber has not relied on any representation, assertion, guarantee, warranty, collateral agreement or other assurance, except those set forth in this Agreement. Subscriber hereby waives all rights and remedies, at law or in equity, arising, or which may arise, as the result of Subscriber's reliance on such representation, assertion, guarantee, warranty, collateral agreement or other assurance. To the extent this agreement is inconsistent with any other document or agreement, whether executed prior to, concurrently with or subsequent to this agreement the terms of this agreement shall govern. This agreement shall run concurrently with and shall not terminate or supersede any existing agreement between the parties unless specified herein. Only Subscriber will be notified of fire trouble, fire supervisory or other off normal signals as soon as may be practical. Subscriber acknowledges that signals transmitted from Subscriber's premises directly to fire departments are not monitored by personnel of ES or its Monitoring Center and ES does not assume any responsibility for the manner in which such signals are monitored or the response, if any, to such signals. Subscriber

acknowledges that signals which are transmitted over telephone lines, wire, air waves, internet, Managed Facilities Voice Networks, VOIP, or other modes of communication pass through communication networks wholly beyond the control of ES and are not maintained by ES except ES may own the radio network and ES shall not be responsible for any failure which prevents transmission signals or data from reaching the Monitoring Center or damages arising therefrom, or for data corruption, theft or viruses to Subscriber's computers if connected to the communication equipment. The fire alarm system and communication pathway may not function during a power failure or not maintain functionality for a 24 hour period as required by NFPA-72 for fire alarm systems and Subscriber is responsible for verifying operation of the communication pathway with the communications pathway provider. Subscriber agrees to furnish ES with a written Call List of names and telephone numbers of persons Subscriber wishes to receive notification of fire alarm signals. Subscriber authorizes ES to access the control panel and/or communicator to input or delete data and programming. If Subscriber requests ES to reprogram system functions remotely, Subscriber shall pay ES \$120.00 for each such service, and any change in programming requires a full physical test of all fire alarm components pursuant to NFPA 72 and AHJ requirements which testing shall be at Subscriber's expense at ES' customary charges. ES may, without prior notice, suspend or terminate its services, in ES' sole discretion, in the event of civil unrest, rioting or natural disaster which renders monitoring or first responder response impractical, or in event of Subscriber's default in performance of this agreement or in event Monitoring Center's facility or communication network is nonoperational or Subscriber's system is sending excessive false alarms, without relieving Subscriber's obligation to make payments required in paragraphs 1-5. Upon suspension or termination of services ES will notify Subscriber of such termination and the balance owed by Subscriber for the term of this agreement. ES is authorized to notify Subscriber by email, First Class Mail delivered by the US Postal Service or text message to Subscriber's cell phone. Monitoring Center is authorized to record and maintain all data, voice and alarm communications and shall be the exclusive owner of such property. 7. TERM OF AGREEMENT / RENEWALS: The term of this agreement shall be for a period of one year. This agreement shall renew month to month thereafter under the same terms and conditions, unless either party gives written notice to the other by certified mail, return receipt requested, of their intention not to renew the agreement at least 30 days prior to the expiration of any term. Termination shall comply with local law. Unless otherwise specified herein, all recurring charges for 1-5 services shall commence on the first day of the month next succeeding the date hereof, all payments being due on the first day of the month.

8. INCREASES OF MONTHLY CHARGE: After the expiration of one year from the date of agreement signed, ES shall be permitted from time to time to increase the monthly charges by an amount to be proposed and approved by Customer.

9. ALARM EQUIPMENT REMAINS PERSONAL PROPERTY: All equipment and material installed by ES shall remain Subscriber's personal property and shall not be considered or deemed a fixture, or an addition to, alteration, conversion, improvement, modernization, remodeling, repair or replacement of any part of the realty, and Subscriber shall not permit the attachment thereto of any apparatus not furnished by ES.

10. EQUIPMENT LIMITED WARRANTY: In the event that any part of the equipment becomes defective, ES agrees to make all repairs and replacement of parts without costs to the Subscriber for a period of ninety (90) days from the date of installation. ES reserves the option to either replace or repair the equipment, and reserves the right to substitute materials of equal quality at time of replacement, or to use reconditioned parts in fulfillment of this warranty. ES' warranty does not include damage caused by electric, plumbing or construction, nor damage by lightning, electrical surge, or misuse. ES is not the manufacturer of the equipment and other than ES' limited warranty Subscriber agrees to look exclusively to the manufacturer of the equipment for repairs under its warranty coverage if any. **Except as set forth in this agreement, ES makes no express warranties as to any matter whatsoever, including but not limited to, unless prohibited by law, the condition of the equipment, its merchantability, or its fitness for any particular purpose, and ES shall not be liable for consequential damages. ES does not represent nor warrant that the equipment may not be compromised or circumvented, or that the system will prevent any loss by fire, smoke or water or otherwise; or that the system will in all cases provide the protection for which it is installed. ES expressly disclaims any implied warranties, including implied warranties of merchantability or fitness for a particular purpose.** The warranty does not cover any damage to material or equipment caused by accident, misuse, attempted or unauthorized repair service, modification, or improper installation by anyone other than ES. ES shall not be liable for consequential damages. Subscriber acknowledges that any affirmation of fact or promise made by ES shall not be deemed to create an express warranty unless included in this agreement in writing; that Subscriber is not relying on ES' skill or judgment in selecting or furnishing a system suitable for any particular purpose and that there are no warranties which extend beyond those on the face of this agreement, and that ES has offered additional and more sophisticated equipment for an additional charge which Subscriber has declined. Subscriber's exclusive remedy for ES' breach of this agreement or negligence to any degree under this agreement is to require ES to repair or replace, at ES' option, any equipment which is non-operational. Some states do not allow the exclusion or limitation of consequential or incidental damages, or a limitation on the duration of implied warranties, so the above limitations or exclusions may not apply to you. The warranty gives you specific legal rights and you may also have other rights which may vary from state to state. Fire Alarms are required to be approved by AHJ and may require plans and specifications designed, signed and submitted by a licensed architect or professional engineer, which must be engaged by Subscriber. If ES is installing a Fire Alarm System to code installation must be approved by the AHJ. This Limited Warranty is independent of and in addition to repair service contracted under paragraph 2b of this agreement.

11. DELAY IN DELIVERY / INSTALLATION / RISK OF LOSS OF MATERIAL: ES shall not be liable for any damage or loss sustained by Subscriber as a result of delay in delivery and/or installation of equipment, equipment failure, or for interruption of service due to electric failure, strikes, walk-outs, war, acts of God, or other causes, including ES' negligence or failure to perform any obligation. The estimated date work is to be substantially completed is not a definite completion date and time is not of the essence. In the event the work is delayed through no fault of ES, ES shall have such additional time for performance as may be reasonably necessary under the circumstances. Subscriber agrees to pay ES the sum of \$1,000 per day for each business day the work is re-scheduled or delayed by Subscriber or others engaged by Subscriber through no fault of ES on less than 24 hour notice to ES. If installation is delayed for more than one year from date hereof through no fault of ES, Subscriber agrees to pay an additional 5% of the contract Purchase Price upon installation. Subscriber assumes all risk of loss of material once delivered to the job site. ES is authorized to make preparations such as drilling holes, driving nails, making attachments or doing any other thing necessary in ES' sole discretion for the installation and service of the equipment, and ES shall not be responsible for any condition created thereby as a result of such installation, service, or removal of the equipment, and Subscriber represents that the owner of the premises, if other than Subscriber, authorizes the installation of the equipment under the terms of this agreement. In the event installation of any equipment requires the shut off of any utility service or equipment, including but not limited to gas, electric, boiler, range, oven, gas fireplaces, gas supplied kitchen or household appliances, Subscriber shall be responsible to engage a licensed professional independent of ES to shut off the utility service or equipment. ES has no responsibility or liability for shutting down utility service or equipment. Subscriber agrees to have such service performed within 48 hours upon request by ES.

12. REPAIR SERVICE: The parties agree that the equipment, once installed, is in the exclusive possession and control of the Subscriber, and it is Subscriber's sole responsibility to notify ES if any equipment is in need of repair. ES shall not be required to service the equipment unless it has received notice from Subscriber, and upon such notice, ES shall, during the warranty period or if service has been contracted under paragraph 2b of this agreement, service the equipment to the best of its ability within 48 hours, exclusive of Saturday, Sunday and legal holidays, during the business hours of 9 a.m. and 5 p.m.

13. SUBSCRIBER'S DUTY TO SUPPLY ELECTRIC AND TELEPHONE SERVICE: Subscriber agrees to furnish, at Subscriber's expense, all 110 Volt AC power, electrical outlet, circuit breaker and dedicated electrical feed, internet connection, high speed broadband cable or DSL and IP Address, telephone hook-ups, RJ31x Block or equivalent, as deemed necessary by ES.

14. SUBSCRIBER RESPONSIBLE FOR FALSE ALARMS / PERMIT FEES / NON-SOLICITATION / ADDITIONAL COSTS / OTHER LICENSED TRADES / CO AND ECB VIOLATIONS / AND EXPERT WITNESS FEES: Subscriber is responsible for all alarm permits and permit fees, agrees to file for and maintain any permits required by applicable law and AHJ and indemnify or reimburse ES for any fees or fines relating to permits, code compliance or false alarms. ES shall have no liability for permit fees, false alarms, false alarm fines, fire response, any damage to personal or real property or personal injury caused by fire department response to alarm, whether false alarm or otherwise, or the refusal of the fire department to respond. In the event of termination of fire response by the fire department this agreement shall nevertheless remain in full force and Subscriber shall remain liable for all payments provided for herein. Should ES be required to perform any service or furnish or replace any equipment or material not specifically covered by the terms of this agreement, because of change in existing or hereafter enacted law, change in technology, obsolete or manufacturer's end of life equipment, Subscriber agrees to pay ES for such service or material. The pricing to be paid by Subscriber in this agreement is based on current pricing by ES' suppliers and vendors. In view of supply shortage and inflation Subscriber agrees to pay any increase for equipment or services to ES by ES' suppliers and vendors in connection with equipment and services to be provided by ES to Subscriber. ES will notify Subscriber of any such increase, and Subscriber shall have the option of paying the increase or selecting alternative equipment and services, if available, for the prices set forth in this agreement. Subscriber agrees that it will not solicit for employment for itself, or any other entity, or employ, in any capacity, any employee of ES assigned by ES to perform and who performs any service for or on behalf of Subscriber during the term of this agreement, any renewals thereof and for a period of 2 years thereafter. In the event of Subscriber's violation of this provision, in addition to injunctive relief, ES shall recover from Subscriber an amount equal to such employee's salary based on the average three months preceding employee's termination of employment with ES, times

twelve, together with ES' counsel and expert witness fees. Subscriber is responsible for engaging licensed trades to perform any work which ES is not licensed to perform interconnecting the fire alarm to HVAC, elevators, appliances and other electronic and mechanical systems. It is Subscriber's responsibility to obtain a Certificate of Occupancy for the intended use of the premises affected by the fire alarm or obtain a Letter of No Objection from the AHJ if a Certificate of Occupancy is not available. It is Subscriber's sole responsibility to cure any building or Environmental Control Board violations. In the event Subscriber or any third party subpoenas or summons ES requiring any services or appearances, Subscriber agrees to pay ES \$150 per hour for such services and appearances. Subscriber shall reimburse ES for any Monitoring Center charges for excessive signals.

15. Parties agree that there are no third-party beneficiaries of this agreement. Subscriber on its behalf and any insurance carrier waives any right of subrogation Subscriber's insurance carrier may otherwise have against ES or ES' subcontractors arising out of this agreement or the relation of the parties hereto. Subscriber shall not be permitted to assign this agreement without written consent of ES, which shall not unreasonably be withheld. ES shall have the right to assign this agreement to a company licensed to perform the services and shall be relieved of any obligations created herein upon such assignment.

16. **EXCULPATORY CLAUSE:** ES is not an insurer and no insurance coverage is offered herein. The fire alarm and ES' services are designed to detect and reduce certain risks of loss, though ES does not guarantee that no loss or damage will occur. ES is not assuming liability, and, therefore, Subscriber agrees ES shall not be liable to Subscriber or any other third party, and Subscriber covenants not to sue ES, for any loss, economic or non-economic, business loss or interruption, consequential damages, in contract or tort, data corruption or inability to retrieve data, personal injury or property damage sustained by Subscriber or others as a result of equipment failure, human error, fire, smoke, water or any other cause whatsoever, regardless of whether or not such loss or damage was caused by or contributed to by ES' breach of contract, negligent performance to any degree in furtherance of this agreement, any extra contractual or legal duty, strict products liability, or negligent failure to perform any obligation pursuant to this agreement or any other legal duty, except for gross negligence and willful misconduct. Subscriber releases ES from any claims for contribution, indemnity or subrogation.

17. **INSURANCE / ALLOCATION OF RISK:** Subscriber shall maintain a policy of Comprehensive General Liability and Property Insurance for liability, casualty, fire, theft, and property damage under which Subscriber is named as insured and ES is named as additional insured, proof of which shall be provided to ES, and which shall on a primary and non-contributing basis cover any loss or damage ES' services are intended to detect to one hundred percent of the insurable value or potential risk. The parties intend that the Subscriber assume all potential risk and damage that may arise by reason of failure of the equipment or ES' services and that Subscriber will look to its own insurance carrier for any loss or assume the risk of loss. ES shall not be responsible for any portion of any loss or damage which is recovered or recoverable by Subscriber from insurance covering such loss or damage or for such loss or damage against which Subscriber is indemnified or insured. Subscriber and all those claiming rights under Subscriber waive all rights against ES and its subcontractors for loss or damages caused by perils intended to be detected by ES' services or covered by insurance to be obtained by Subscriber, except such rights as Subscriber or others may have to the proceeds of insurance.

18. **LIMITATION OF LIABILITY:** SUBSCRIBER AGREES THAT, EXCEPT FOR ES' GROSS NEGLIGENCE AND WILLFUL MISCONDUCT, SHOULD THERE ARISE ANY LIABILITY ON THE PART OF ES AS A RESULT OF ES' BREACH OF CONTRACT, NEGLIGENT PERFORMANCE TO ANY DEGREE OR NEGLIGENT FAILURE TO PERFORM ANY OF ES' OBLIGATIONS PURSUANT TO THIS AGREEMENT OR ANY OTHER LEGAL DUTY, EQUIPMENT FAILURE, HUMAN ERROR, OR STRICT PRODUCTS LIABILITY, WHETHER ECONOMIC OR NON-ECONOMIC, IN CONTRACT OR IN TORT, THAT ES' LIABILITY SHALL BE LIMITED TO THE SUM OF \$2,000.00 OR 6 TIMES THE MONTHLY PAYMENT FOR SERVICES BEING PROVIDED AT TIME OF LOSS, WHICHEVER IS GREATER. IF SUBSCRIBER WISHES TO INCREASE ES' AMOUNT OF LIMITATION OF LIABILITY, SUBSCRIBER MAY, AS A MATTER OF RIGHT, AT ANY TIME, BY ENTERING INTO A SUPPLEMENTAL AGREEMENT, OBTAIN A HIGHER LIMIT BY PAYING AN ANNUAL PAYMENT CONSONANT WITH ES' INCREASED LIABILITY. THIS SHALL NOT BE CONSTRUED AS INSURANCE COVERAGE AND NOTWITHSTANDING THE FOREGOING, ES' LIABILITY SHALL NOT EXCEED ITS AVAILABLE INSURANCE COVERAGE.

SUBSCRIBER ACKNOWLEDGES THAT THIS AGREEMENT CONTAINS EXCULPATORY CLAUSE, INDEMNITY, INSURANCE, AND ALLOCATION OF RISK AND LIMITATION OF LIABILITY PROVISIONS.

19. **LEGAL ACTION / ARBITRATION / SECURITY INTEREST / BREACH / LIQUIDATED DAMAGES / AGREEMENT TO BINDING ARBITRATION:** The parties agree that due to the nature of the services to be provided by ES, the payments to be made by the Subscriber for the term of this agreement form an integral part of ES' anticipated profits; that in the event of Subscriber's default it would be difficult if not impossible to fix ES' actual damages. Therefore, in the event Subscriber defaults in any payment or charges to be paid to ES, Subscriber shall be immediately liable for any unpaid installation and invoiced charges plus 80% of the balance of all payments for the entire term of this agreement as LIQUIDATED DAMAGES. Upon suspension or termination of services ES will notify Subscriber of such termination. ES is authorized to notify Subscriber by email, First Class Mail delivered by the US Postal Service or text message to Subscriber's cell phone.

SUBSCRIBER ACKNOWLEDGES THAT THIS AGREEMENT CONTAINS A LIQUIDATED DAMAGE CLAUSE.

Additionally, in the event ES retained ownership of the communication system and Subscriber breaches this agreement or this agreement expires for any reason, ES may, at its option, either remove its Communication System or deem same sold to Subscriber for 80% the amount specified as the Agreed Value of the communication system. ES may, without prior notice, suspend or terminate its services in event of Subscriber's default in performance of this agreement and shall be permitted to terminate all its services under this agreement and deactivate the System without relieving Subscriber of any obligation herein and may notify AHJ of termination. In order to secure all indebtedness or liability of Subscriber to ES, Subscriber hereby grants ES a security interest in all of Subscriber's equipment, inventory and proceeds thereof, accounts receivables and cash on hand and ES may execute and file UCC-1 statement. SUBSCRIBER MAY BRING CLAIMS AGAINST ES ONLY IN SUBSCRIBER'S INDIVIDUAL CAPACITY, AND NOT AS A CLASS ACTION PLAINTIFF OR CLASS ACTION MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. ANY DISPUTE BETWEEN THE PARTIES OR ARISING OUT OF THIS AGREEMENT, INCLUDING ISSUES OF ARBITRABILITY, SHALL, AT THE OPTION OF ANY PARTY, BE DETERMINED BY BINDING AND FINAL ARBITRATION BEFORE A SINGLE ARBITRATOR ADMINISTERED BY ARBITRATION SERVICES INC., ITS SUCCESSORS OR ASSIGNS, PURSUANT TO ITS ARBITRATION RULES AT WWW.ARBITRATIONSERVICESINC.COM AND THE FEDERAL ARBITRATION ACT (FAA), EXCEPT THAT NO PUNITIVE OR CONSEQUENTIAL DAMAGES MAY BE AWARDED. The arbitrator shall be bound by the terms of this agreement, and shall on request of a party, conduct proceedings by telephone, video or submission of papers. A party requesting in-person discovery, in-person hearing or a transcript of the discovery proceeding or hearing, shall pay for the cost of such transcript and arbitrator fees charged in connection with the discovery request and in-person hearing, which may be allocated among the parties by the arbitrator in the final award. By agreeing to this arbitration provision the parties waive their right to a trial before a judge or jury, waive their right to appeal the arbitration award and waive their right to participate in a class action. In the event of any litigation between the parties they waive the right to a jury trial unless prohibited by law. Service of process or papers in any legal proceeding or arbitration between the parties may be made by First-Class Mail delivered by the U.S. Postal Service addressed to the party's address designated in this agreement, on file with an agency of the state, or any other address provided by the party in writing to the party making service. The parties submit to the jurisdiction and laws of Kenton County Kentucky, except for arbitration which is governed by the FAA and the arbitration rules. The parties are engaged in interstate commerce and the FAA and arbitration rules shall govern, notwithstanding any state law to the contrary. Any action or arbitration between the parties must be commenced within one year of the accrual of the cause of action or shall be barred. The prevailing party in any litigation or arbitration is entitled to recover its legal fees, costs and disbursements so that the party is made whole from the other party. In the event a party commences a proceeding to confirm an arbitration award, the prevailing party shall be entitled to attorney fees, costs and disbursements for such proceeding. All actions, arbitration or proceedings by either party must be based on the provisions of this agreement and any other action that Subscriber may have or bring against ES in respect to other services rendered in connection with this agreement shall be deemed to have merged in and be restricted to the terms and conditions of this agreement.

SUBSCRIBER ACKNOWLEDGES THAT THIS AGREEMENT CONTAINS AN AGREEMENT TO ARBITRATE DISPUTES AND THAT ARBITRATION IS BINDING AND FINAL AND THAT SUBSCRIBER IS WAIVING SUBSCRIBER'S RIGHT TO TRIAL IN A COURT OF LAW AND OTHER RIGHTS.

20.
