Title VI Plan

## Executive Summary

Federal laws, regulations, executive orders and other guidance require that federal aid recipients have documentation in place to demonstrate how the recipient is complying with Title VI of the Civil Rights Act of 1964 and related nondiscrimination requirements. This documentation is referred to as the Title VI plan. Federal aid recipients are required to update this plan every three years, at a minimum.

As recipients of federal funds, the Green River Area Development District (GRADD) and Owensboro-Daviess County Metropolitan Planning Organization (MPO) are subject to these requirements. Since the MPO is housed at GRADD, its activities are covered by the GRADD Title VI plan.

This Title VI plan reflects a commitment to nondiscrimination in all activities performed by GRADD and the MPO. The plan was developed based on guidance provided by the Federal Transit Administration (FTA) and is subject to review by the FTA every three years. Additionally, the Kentucky Transportation Cabinet (KYTC) requires the Title VI plan be updated annually.

Based on the FTA guidance and Census data analysis performed by the MPO, the Title VI plan provides processes that GRADD and the MPO will use to ensure its programs and activities comply with a policy of nondiscrimination. Specifically, the Title VI plan includes:

- A set of Title VI assurances and a signed commitment to a policy of nondiscrimination;
- A list of processes and tools an individual can use to file a complaint if he or she feels they have been the victim of discrimination;
- A record of complaints lodged against GRADD or the MPO in the past three years;
- The processes GRADD uses to monitor its activities and programs;
- An examination of the distribution of public transit funding showing a distribution of public transit stops in areas of higher minority and/or poverty residence; and
- A demographic profile of the GRADD region, including Census block group maps of the region by:
  - Minority residence
  - Poverty status
  - Limited English Proficiency

Questions regarding this Title VI plan should be directed to GRADD's Executive Director/Title VI Coordinator:

*"No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity, "for which the Recipient receives Federal financial assistance from DOT, including the FHWA.*

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Nondiscrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these nondiscrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

### **Specific Assurances**

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted **Federal Highway Program**:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with all **Federal Highway Program** and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

### **Construction Proposals**

*“The Green River Area Development District (GRADD) and the Owensboro-Daviess County Metropolitan Planning Organization (MPO), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”*

### **Agreement for Other Services**

*“Compliance with Regulations: The Consultant shall comply with the regulations of GRADD and the Owensboro-Daviess County MPO relative to nondiscrimination in Federally Assisted Programs of GRADD and the Owensboro-Daviess County MPO (49 CFR Part 21) which are herein incorporated by reference and made part of this contract.”*

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations.
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

  - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
  - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
  - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, GRADD and the Owensboro-Daviess County MPO also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the FHWA access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the FHWA. You must keep records, reports, and submit the material for review upon request to FHWA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other

reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

GRADD and the Owensboro-Daviess County MPO give this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the U.S. Department of Transportation under the **Federal Highway Program**. This ASSURANCE is binding on Kentucky, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **Federal Highway Program**. #### Current and Pending FTA Funding

1. FTA Section 5303, FY 2023, \$53,000 Federal + \$13,250 Local
2. FTA Section 5303, FY 2024, \$53,000 Federal + \$13,250 Local

### 4.2 Annual Certifications and Assurances

In accordance with 49 CFR Section 21.7(a), every application for financial assistance from FTA and FHWA must be accompanied by an assurance that the applicant will carry out the program in compliance with Title VI regulations. This requirement shall be fulfilled when the applicant/recipient submits its annual certifications and assurances. Primary recipients will collect Title VI assurances from sub-recipients prior to passing through FTA and FHWA funds.

GRADD and the Owensboro-Daviess County MPO will remain in compliance with this requirement by annual submission of certifications and assurances as required by all applicable State and Federal Agencies.

## **V. Agency Annual Title VI Training Plan**

Internally all GRADD staff and the Owensboro-Daviess County MPO will participate in a training video annually to show the agency's continued commitment to assuring compliance with Title VI. Some staff including the MPO will further their education by attending the Title VI trainings offered by the Kentucky Transportation Cabinet as well as other departments of government. These trainings will be done annually and documented on the Joint Funding Agreement spreadsheet which is submitted to the Department for Local Government each year.

The GRADD staff took part in a Title VI discussion during the March 4, 2024, full staff meeting. Attendees were informed of the Title VI training video process, in which they would log in to the website provided by KYTC's Office of Civil Rights ([https://cei.matrixlms.com/visitor\\_catalog\\_class/new\\_account/952239](https://cei.matrixlms.com/visitor_catalog_class/new_account/952239)). A refresher course was held instructing attendees on how to use GRADD's Language Line service and written instructions on how to use the service were emailed to all staff members.

After taking part in the individual training, all staff signed a sheet attesting that they had successfully completed the training. Copies of those sheets can be found in Appendix M. Staff members who were absent from the meeting were informed individually about the new training procedure on their next day in the office.

The next Title VI training will take place at a staff meeting in early 2025, at either the March or April staff meeting.

Effective July 1, 2019, all new employees undergo Title VI training as part of GRADD's employee orientation. New employees will be provided a copy of the Title VI plan and will view a Title VI training video.

The external component consists of educating sub-recipients and beneficiaries (if any). As a part of the Sub-recipient Monitoring Program the Title VI Officer, Coordinator or Liaison will conduct reviews and the sub-recipients will be provided with explanatory materials and technical assistance as necessary to ensure their knowledge of, and compliance with Title VI requirements.

SEE APPENDIX M

## VI. Title VI Notice to the Public

*FTA Circular 4702.1B, Chapter III, Paragraph 5: Title 49 CFR 21.9(d) requires recipients to provide information to the public regarding the recipient's obligations under DOT's Title VI regulations and apprise members of the public of the protections against discrimination afforded to them by Title VI.*

### 6.1 Notice to Public

Recipients must notify the public of its rights under Title VI and Section 162(a) of the Federal Aid Highway Act of 1973 (Section 324, Title 23 U.S.C.) and include the notice and where it is posted in the Title VI Plan. The notice must include:

- A statement that the agency operates programs without regard to race, color, sex and national origin
- A description of the procedures members of the public should follow in order to request additional information on the grantee's nondiscrimination obligations
- A description of the procedure members of the public should follow in order to file a discrimination complaint against the grantee

A sample of the Title VI notice in both English and Spanish can be found in Appendix A.

### 6.2 Notice Posting Locations

The Notice to Public will be posted at many locations to apprise the public of GRADD and the Owensboro-Daviess County MPO's obligations under Title VI and to inform them of the protections afforded them under Title VI. At a minimum, the notice will be posted in the following areas:

- Lobby of GRADD office
- Employee area of GRADD office
- GRADD'S website: [www.gradd.com](http://www.gradd.com)

## VII. Title VI Procedures and Compliance

*FTA Circular 4702.1B, Chapter III, Paragraph 6: All recipients shall develop procedures for investigating and tracking Title VI complaints filed against them and make their procedures for filing a complaint available to member of the public.*

### 7.1 Complaint Procedure

#### Who may file a complaint?

Any person who believes he or she has been discriminated against on the basis of race, color, sex or national origin by the Green River Area Development District and/or the Owensboro-Daviess County MPO may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form. (see Appendix B)

These forms are available in English, Spanish and Burmese at the GRADD office and on its website: <https://gradd.com/local-government/transportation/owensboro-daviess-county-mpo/>.

#### Where can one file?

Complaints may be filed with KYTC, FHWA Division Offices, the FHWA Headquarters Office of Civil Rights, the United States Department of Transportation (USDOT) Departmental Office of Civil Rights, or the U.S. Department of Justice.

#### When must one file?

According to U.S. DOT regulations, 49 CFR § 21.11(b), a complaint must be filed not later than 180 days after the date of the last instance of alleged discrimination, unless the time for filing is extended by the investigating agency.

#### What should a complaint look like?

Complaints should be in writing and signed and may be filed by mail, fax, in person, or e-mail. However, the complainant may call the agency and provide the allegations by telephone, and the agency will transcribe the allegations of the complaint as provided over the telephone and send a written complaint to the complainant for correction and signature. A complaint should contain at least the following information:

- A written explanation of what has happened;
- A way to contact the complainant;
- The basis of the complaint (e.g., race, color, sex or national origin);
- The identification of a specific person/people and the respondent (e.g.) agency/organization) alleged to have discriminated;
- Sufficient information to understand the facts that led the complainant to believe that discrimination occurred in a program or activity that receives Federal financial assistance; and
- The date(s) of the alleged discriminatory act(s). Complaint should indicate if the alleged discrimination is on-going.

### How are complaints routed?

FHWA is responsible for all decisions regarding whether a complaint should be accepted, dismissed, or referred to another agency.

With this understanding, complaints should be routed in the following ways:

- All complaints should be routed to the FHWA Headquarters Office of Civil Rights (HCR) for processing. HCR is responsible for all determinations regarding whether to accept, dismiss, or transfer Title VI complaints filed against State DOTs or Subrecipients of Federal financial assistance.
- Complaints should be forwarded from the initial receiving agency through the Federal-aid highway oversight hierarchy until the complaint reaches HCR. For example, if a complaint is filed with a Subrecipient City, that receiving agency should forward the complaint to the State DOT, which should forward the complaint to the State's FHWA Division Office, which should forward the complaint to HCR. If a complaint is filed with a State DOT, then the State DOT should forward the complaint to the State's FHWA Division Office, which should forward the complaint to HCR.
- State DOTs and Subrecipients must log all complaints received.
- When HCR decides on whether to accept, dismiss, or transfer the complaint, HCR will notify the Complainant, the FHWA Division Office, State DOT, and Subrecipient (where applicable).

Completed complaint forms may be submitted to:

### **What are the potential outcomes for processing a complaint?**

There are four potential outcomes for processing complaints:

- **Accept:** if a complaint is timely filed (see “**When must one file?**” above), contains sufficient information to support a claim under Title VI, and concerns matters under FHWA’s jurisdiction, then HCR will send to the complainant, the respondent agency, and the FHWA Division Office a written notice that it has accepted the complaint for investigation.
- **Preliminary review:** if it is unclear whether the complaint allegations are sufficient to support a claim under Title VI, then HCR may (1) dismiss it or (2) engage in a preliminary review to acquire additional information from the complainant and/or respondent before deciding whether to accept, dismiss, or refer the complaint.
- **Procedural Dismissal:** if a complaint is not timely filed (see “**When must one file?**” above), is not in writing and signed, or features other procedural/practical defects, then HCR will send the complainant, respondent, and FHWA Division Office a written notice that it is dismissing the complaint.
- **Referral\Dismissal:** if the complaint is procedurally sufficient but FHWA (1) lacks jurisdiction over the subject matter or (2) lacks jurisdiction over the respondent entity, then HCR will either dismiss the complaint or refer it to another agency that does have jurisdiction. If HCR dismisses the complaint, it will send the complainant, respondent, and FHWA Division Office a copy of the written dismissal notice. For referrals, FHWA will send a written referral notice with a copy of the complaint to the proper Federal agency and a copy to the USDOT Departmental Office of Civil Rights.

HCR is responsible for conducting all investigations of State DOTs and other primary Recipients. In the case of a complaint filed against a Subrecipient, HCR may either conduct the investigation itself, or it may delegate the investigation to the primary Recipient State DOT. If HCR chooses to delegate the investigation of a Subrecipient, HCR will communicate its acceptance of the complaint to the complainant and respondent, but the State DOT will conduct all data requests, interviews and analysis. The State DOT will then create a Report of Investigation (ROI), which it will send to HCR. Finally, HCR will review the ROI and compose a Letter of Finding based on the ROI. All Letters of finding issued by FHWA are administratively final.

### **What are the timeframes for investigations?**

For FHWA, there is no regulatory timeframe for completing investigations. However, FHWA strives to complete all tasks within 180 days from the date of acceptance. For State DOTs that have been delegated an investigation from FHWA, 23 CFR §200.9(b)(3) provides that State DOTs must complete investigations within 60 days of receipt (meaning the date it receives the delegated complaint from FHWA).

## **7.2 Program Review Procedures**

GRADD and the Owensboro-Daviess County MPO are responsible for the following under Title VI:

- Collecting and analyzing data on minority and low-income populations to determine the potential impact of proposed plans, programs and projects;
- Ensuring all contract documents contain the appropriate Title VI provisions;
- Consulting with the Title VI Officer, Coordinator or Liaison and the OCRSBD Executive Director when complaints are received or issues arise during a public hearing/meeting;
- Ensuring that all people are treated equitably regardless of race, color, sex or national origin;
- Monitoring Title VI accomplishments, notifying the Title VI Officer, Coordinator or Liaison of problem areas and summarizing activities for inclusion in the Title VI Plan Update;
- Developing and updating internal policies and procedures to ensure Title VI compliance during all phases of projects and activities;
- Ensuring that all business pertaining to the selection, negotiation and administration of consultant contracts and agreements is accomplished without discrimination based on race, color, sex or national origin;
- Ensuring that efforts are made to include minority and women owned businesses in consideration for contracts;
- Ensuring that internal and external publications and all other relevant communications disseminated to the public include the Title VI policy reference; and
- Providing reasonable accommodations, information in the appropriate language or interpreters as needed for individuals with disabilities and LEP persons.

## **7.3 Complaint Form**

A copy of the complaint form is provided in Appendix B and on GRADD's website [www.gradd.com](http://www.gradd.com).

## **7.4 Record Retention and Reporting Policy**

GRADD's Title VI Plan will be submitted to all applicable State and Federal Agencies as needed. Compliance records and all Title VI related documents will be retained for a minimum of three years and reported to the primary recipient annually.

## 7.5 Contractors and Subcontractors

GRADD and the Owensboro-Daviess County MPO are responsible for ensuring contractors are in compliance with Title VI requirements. Contractors may not discriminate in the selection and retention of any subcontractors. Subcontractors also may not discriminate in the selection and retention of any subcontractors. GRADD/Owensboro-Daviess County MPO contractors and subcontractors may not discriminate in their employment practices in connection with federally assisted projects. Contractors and subcontractors are not required to prepare or submit a Title VI Plan.

Appropriate staff members will routinely confirm that guidelines provided to consultants, contractors and sub-recipients include Title VI language, provisions and related requirements, where applicable.

### Nondiscrimination Clauses

During the performance of a contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the “Contractor”) must agree to the following clauses:

1. **Compliance with Regulations:** The Contractor shall comply with the Regulations relative to nondiscrimination in Federally assisted programs of the U.S. Department of Transportation (hereinafter, “USDOT”) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Agreement.
2. **Nondiscrimination:** The Contractor, with regard to the work performed during the contract, shall not discriminate on the basis of race, color, national origin, sex, age, disability, religion or family status in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.
3. **Solicitations for Subcontractors, including Procurements of Materials and Equipment:** In all solicitations made by the Contractor, either by competitive bidding or negotiation for work to be performed under a subcontract, including procurements of materials or leases of equipment; each potential subcontractor or supplier shall be notified by the Contractor of the subcontractor’s obligations under this contract and the Regulations relative to nondiscrimination on the basis of race, color, national origin, sex, age, disability, religion or family status.
4. **Information and Reports:** The Contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Kentucky Transportation Cabinet, the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, and/or the Federal Motor Carrier Safety Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a Contractor is in the exclusive possession of another who fails or refuses to furnish this information the Contractor shall so certify to the Kentucky Transportation Cabinet, the Federal Highway Administration, Federal Transit

Administration, Federal Aviation Administration, and/or the Federal Motor Carrier Safety Administration as appropriate and shall set forth what efforts it has made to obtain the information.

**5. Sanctions for Noncompliance:** In the event of the Contractor's noncompliance with the nondiscrimination provisions of this contract, GRADD and the Owensboro-Daviess County MPO shall impose contract sanctions as appropriate, including, but not limited to:

- a. withholding of payments to the Contractor under the contract until the Contractor complies, and/or
- b. cancellation, termination or suspension of the contract, in whole or in part.

**6. Incorporation of Provisions:** The Contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Contractor shall take such action with respect to any subcontract or procurement as GRADD, the Owensboro-Daviess County MPO, Kentucky Transportation Cabinet, the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, and/or the Federal Motor Carrier Safety Administration may direct as a means of enforcing such provisions including sanctions for noncompliance.

### 7.6 Special Emphasis Program Areas

At this time GRADD and the Owensboro-Daviess County MPO have not identified any Special Emphasis Program Areas. A program area is designated as a "special emphasis area" if during the previous year's review process the program area shows deficiencies in how it complies with Title VI requirements. Should any areas of special emphasis arise, GRADD and the MPO would consult with agencies such as the KYTC Office of Civil Rights and representatives of the affected community to determine a course of action and/or training needed to address the situation.

### 7.7 Sub-Recipient Review Procedures

Neither GRADD nor the Owensboro-Daviess County MPO have any sub-recipients at this time. If either agency were to acquire sub-recipient(s), GRADD and the MPO would ensure that appropriate staff members would routinely confirm that guidelines provided to consultants, contractors and sub-recipients include Title VI language, provisions and related requirements, where applicable. This process could include, but would not be limited to, reviewing consultant contracts to ensure compliance with Title VI initiatives.

### 7.8 Compliance/Noncompliance Reporting

The Title VI Officer shall meet quarterly with the GRADD associated directors to review the policies and procedures relative to Title VI. This includes, but is not limited to, a review of files and statistics of complaints received for investigation and services offered to recipients and beneficiaries of GRADD's services.

In the event of noncompliance with this plan, or applicable regulations and laws are determined via a complaint investigation or through the self-survey process, GRADD will make every effort to attain full compliance.

The Title VI Officer shall notify the appropriate program head in the event of a complaint investigation. The notification shall state the condition of noncompliance, recommended approach to correct the situation and the period for the response and corrective action. The Title VI Officer may conduct an interview to consult with the program head regarding the correct approach to remedy noncompliance.

### VIII. Title VI Investigations, Complaints and Lawsuits

*FTA Circular 4702.1B, Chapter III, Paragraph 7: In order to comply with the reporting requirements of 49 CFR 21.9(b), FTA requires all recipients to prepare and maintain a list of any of the following that allege discrimination on the basis of race, color, sex or national origin: active investigations....; lawsuits, and complaints naming the recipient.*

In accordance with 49 CFR 21.9(b), GRADD and the Owensboro-Daviess County MPO must record and report any investigations, complaints, or lawsuits involving allegations of discrimination. The records of these events shall include the date the investigation, lawsuit, or complaint was filed; a summary of the allegations; the status of the investigation, lawsuit, or complaint; and actions taken by GRADD/Owensboro-Daviess County MPO in response; and final findings related to the investigation, lawsuit, or complaint. The records for the previous three years shall be included in the Title VI Plan when it is submitted to KYTC and/or the FTA.

GRADD/Owensboro-Daviess County MPO has had no investigations, complaints or lawsuits involving allegations of discrimination on the basis of race, color, sex or national origin over the past three years – 2021, 2022 and 2023. A summary of these incidents is recorded in Table 1.

## IX. Public Participation Plan

*FTA Circular 4702.1B, Chapter III, Paragraph 4.a.4: Every Title VI Plan shall include the following information: A public participation plan that includes an outreach plan to engage minority and limited English proficient populations, as well as a summary of outreach efforts made since the last Title VI Plan submission. A recipient's targeted public participation plan of minority populations may be part of efforts that extend more broadly to include constituencies that are traditionally underserved, such as people with disabilities, low-income populations, and others.*

The Participation Plan (PP) was developed to ensure that all members of the public, including minorities, disabled, low income and Limited English Proficient (LEP) populations, are encouraged to participate in the decision-making process for GRADD and the Owensboro-Daviess County MPO. The public outreach strategies described in the PP are designed to provide the public with effective access to information about GRADD and the Owensboro-Daviess County MPO services and to provide a means for considering public comment. The mission of the PP is as follows:

*To establish a transportation planning process that is open to all citizens and to ensure that all input received from the public is given proper consideration in the decision-making process.*

Because public concerns are often localized, and active participants do not always represent the concerns of the public as a whole, proactive steps will be taken to ensure that public participation process results in accurate understanding of the public as a whole. Public Participation activities will vary by time, place and method to simplify access to the decision-making process. Various methods will be used continuously throughout the planning process. Public availability of technical data and other information in a concise and understandable format shall be assured. Open access to the decision-making process shall also be assured.

Participation Plan data is included as Appendix K to this Title VI Plan.

### 9.1 Current Outreach Efforts

- Use surveys in newsletters, mail-outs, e-mails, etc. to gain public input

### 9.2 Analysis

The Statistical data collected on race, color, national origin, sex, age, disability and LEP of participants in and beneficiaries of the programs in the GRADD region, (i.e., affected populations, and participants) will be gathered, analyzed and maintained to determine the transportation investment benefits and burdens to the population, including minority and low-income populations. Data-gathering procedures will be reviewed regularly to ensure sufficiency of the data in meeting the requirements of Title VI program administration. Analysis of the data collected by the program emphasis areas may include:

- The race, color, national origin, sex, age, disability, income and LEP of the population eligible to be served
- Socioeconomic Assessment to evaluate project's potential impacts to the human environment
- Persons to include in the decision-making process
- Percent of benefits allocated to persons below the poverty line vs. persons above the poverty line
- Distribution of benefits (dollars, facilities, systems, projects) to groups and communities
- Projected population increases versus planned facilities and types of facilities
- Language needs assessment
- Transportation needs of all persons within boundaries of plans or projects
- Strategies to address impacts
- The manner in which services are or will be provided and the related data necessary for determining whether any persons are or will be denied such services on the basis of prohibited discrimination
- The location of existing or proposed facilities connected with the program and related information for determining whether the location has or will have the effect of unnecessarily denying access to any persons on the basis of prohibited discrimination

- The present or proposed membership, by race, color, national origin, sex, disability and age, in any planning or advisory body which is an integral part of the program
- Strategies to disseminate information

### **9.3 Environmental Justice (EJ)**

Executive Order (E.O. 12898) was issued to focus federal attention on the environmental and human health conditions in minority and low-income communities to promote non-discrimination in federal programs substantially affecting human health and the environment and to provide minority and low-income communities access to public information on and an opportunity for public participation in matters relating to human health or the environment.

GRADD and the Owensboro-Daviess County MPO will utilize the US Census Bureau data, the American Community survey data, and the following checklist to identify targeted populations:

- Make a list of potential demographic groups to consider for the region or start with the required EJ populations defined by the Executive Order and supportive guidance;
- Consider groups that are underrepresented in typical public involvement and transportation decision making processes, have limited access to the full benefits of the transportation system or have encountered disproportionate impacts from past transportation decisions;
- Decide on the level of detail required for identifying groups spatially and identifying data sources to use to conduct a spatial demographic profile; and
- Engage leaders and representatives of demographic groups to help identify target populations, spatially and non-spatially.

## X. Language Assistance Plan

*FTA Circular 4702.1B, Chapter III, Paragraph 9: Recipients shall take reasonable steps to ensure meaningful access to benefits, services, information, and other important portions of their programs and activities for individuals who are limited English proficient (LEP).*

The Language Assistance Plan (LAP) has been prepared to address the Green River Area Development District's and the Owensboro-Daviess County MPO's responsibilities as they relate to the needs of individuals with Limited English Proficiency (LEP). Individuals who have a limited ability to read, write, speak or understand English are defined as LEP. According to data from the US Census, there are 203,125 residents in the GRADD region who are over the age of 5. Of those residents, 2,566 (1.6%) describe themselves as speaking English less than "very well". (Source: US Census 2022 ACS Table B16004) GRADD is federally mandated (Executive Order 13166) to take responsible steps to ensure meaningful access to the benefits, services, information and other important portions of its programs and activities for individuals who are LEP. GRADD has utilized the U.S. Department of Transportation (DOT) LEP Guidance Handbook and performed a four-factor analysis to develop its LEP. The LEP is included in this Title VI Plan as Appendix H.

## XI. Planning and Advisory Bodies

*FTA Circular 4702.1B, Chapter III, Paragraph 10: Recipients that have transit-related, non-elected planning boards, advisory councils or committees, or similar committees, the membership of which is selected by the recipient, must provide a table depicting the racial breakdown of the membership of those committees, and a description of efforts made to encourage the participation of minorities on such committees.*

The Board of Directors, which serves all seven counties in the GRADD region, consists of 30 members appointed by the appropriate elected official.

| Body                     | Caucasian | Latino | African American | Asian American | Native American | Other |
|--------------------------|-----------|--------|------------------|----------------|-----------------|-------|
| GRADD Population         | 89.5%     | 2.75%  | 5%               | <1%            | <1%             | 2%    |
| GRADD Board of Directors | 93.34%    | 3.33%  | 3.33%            | 0%             | 0%              | 0%    |

GRADD has been designated at the Metropolitan Planning Organization (MPO) for Owensboro and Daviess County. The MPO has two nonelected transit-related committees, the Technical Advisory Committee and the Policy Committee. A racial breakdown of these committees is provided in the table below:

| Body                         | Caucasian | Latino | African American | Asian American | Native American | Other |
|------------------------------|-----------|--------|------------------|----------------|-----------------|-------|
| Daviess County               | 87.8%     | 3.2%   | 5.1%             | 1.9%           | <1%             | 2.1%  |
| Technical Advisory Committee | 100%      | 0%     | 0%               | 0%             | 0%              | 0%    |
| Policy Committee             | 100%      | 0%     | 0%               | 0%             | 0%              | 0%    |

GRADD and the Owensboro-Daviess County MPO will make efforts to encourage minority participation on the committee. These efforts are made by distributing information regarding participation on the committee at public meetings. GRADD and the MPO also make efforts to facilitate the mobility needs of minority populations in planning activities. GRADD board meetings are held at the GRADD office, while MPO meetings are held at Owensboro City Hall. Both locations are served by public transit and meetings are held during normal operating hours. The MPO's planning partner notification list includes agencies serving a variety of groups including racial minorities, the elderly, low-income residents as well residents with physical and mental challenges.

## XII. Title VI Equity Analysis

*FTA Circular 4702.1B, Chapter III, Paragraph 4.a.8: If the recipient has constructed a facility, such as vehicle storage, maintenance facility, operation center, etc., the recipient shall include a copy of the Title VI equity analysis conducted during the planning stage with regard to the location of the facility.*

Title 49 CFR, Appendix C, Section (3)(iv) requires that “the location of projects requiring land acquisition and the displacement of persons from their residences and business may not be determined on the basis of race, color, or national origin.” For purposes of this requirement, “facilities” does not include bus shelters, as they are considered transit amenities. It also does not include transit stations, power substations, or any other project evaluated by the National Environmental Policy Act (NEPA) process. Facilities included in the provision include, but are not limited to, storage facilities, maintenance facilities, operations centers, etc. In order to comply with the regulations, GRADD and the Owensboro-Daviess County MPO will ensure the following:

1. Both will complete a Title VI equity analysis for any facility during the planning stage with regard to where a project is located or sited to ensure the location is selected without regard to race, color, sex or national origin. Both will engage in outreach to persons potentially impacted by the siting of the facility. The Title VI equity analysis must compare the equity impacts of various siting alternatives, and the analysis must occur before the selection of the preferred site.
2. When evaluating locations of facilities, both will give attention to other facilities with similar impacts in the area to determine if any cumulative adverse impacts might result. Analysis should be done at the Census tract or block group level where appropriate to ensure that proper perspective is given to localized impacts.
3. If they determines that the location of the project will result in a disparate impact on the basis of race, color, sex or national origin, they may only locate the project in that location if there is a substantial legitimate justification for locating the project there, and where there are no alternative locations that would have a less disparate impact on the basis of race, color, sex or national origin. GRADD and the Owensboro-Daviess County MPO must demonstrate and document how both tests are met. They will consider and analyze alternatives to determine whether those alternatives would have less of a disparate impact on the basis of race, color, sex or national origin, and then implement the least discriminatory alternative.

Neither the Green River Area Development District nor the Owensboro-Daviess County MPO have recently constructed any facilities nor do either have any facilities in the planning stage. Therefore, neither GRADD nor the Owensboro-Daviess County MPO have any Title VI Equity Analysis reports to submit with this Plan. They will utilize the demographic maps included in Appendix J and K for future Title VI analysis.

## **Language Assistance Plan (LAP)**

### **I. Introduction**

The Green River Area Development District (GRADD) provides planning services in the Green River Region of Western Kentucky. GRADD is also the designated staff agency for the Owensboro-Daviess County Metropolitan Planning Organization. The Language Assistance Plan (LAP) will address GRADD's responsibilities as they relate to the needs of individuals with Limited English Proficiency (LEP). Individuals, who have a limited ability to read, write, speak or understand English are LEP.

In accordance with Presidential Executive Order 13166 – *Improving Access to Services for Persons with Limited English Proficiency*, GRADD and the MPO will take reasonable steps to provide meaningful access to services for persons with LEP. Efforts to assist LEP clients will include, but are not limited to:

- Use of LanguageLine Professional Interpreter services
- Community-based organizations with bilingual staff
- Local bilingual volunteers

In the GRADD region there are 3,899 residents (1.91%) who describe themselves as not able to communicate in English “very well” (Source: US Census 2021 ACS Table B16004). GRADD is federally mandated (Executive Order 13166) to take responsible steps to ensure meaningful access to the benefits, services, information and other important portions of its programs and activities for individuals who are LEP. GRADD has utilized the U.S. Department of Transportation (USDOT) LEP Guidance Handbook and performed a four-factor analysis to develop its LAP.

The U.S. Department of Transportation Handbook, titled “Implementing the Department of Transportation’s Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons: A Handbook for Public Transportation Providers, (April 13, 2007) “ (hereinafter “Handbook”), states that Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq., and its implementing regulations provide that no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that receives Federal financial assistance (Handbook, page 5). The Handbook further adds that Title VI prohibits conduct that has a disproportionate effect on LEP persons because such conduct constitutes national origin discrimination (Handbook, page 5).

### **II. Four-Factor Analysis**

The analysis provided in this report has been developed to identify LEP population that may use the Green River Area Development District’s services and identify needs for language assistance. This analysis is based on the “Four Factor Analysis” presented in the Implementing the Department of Transportation’s Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons, dated April 13, 2007, which considers the following factors:

## Title VI Plan

### A. Factor 1: The Number and Proportion of LEP Persons Served or Encountered in the Eligible Service Population

GRADD is composed of seven counties: Daviess, Hancock, Henderson, McLean, Ohio, Union and Webster.

### B. Factor 2: The Frequency with which LEP Individuals Come into Contact with Your Programs, Activities, and Services

LEP persons may come into contact with GRADD activities, services and personnel in a variety of ways. The locations, programs, activities, and services where LEP persons most frequently come in contact with GRADD include:

- Public meetings/legal notices
- Website
- GRADD offices

| Population Five Years and Older Speaking English "Less than Very Well" |                          |
|--|--------------------------|
| County   | Percentage of Population |
| Daviess  | 2.62%                    |
| Hancock  | 1.95%                    |
| Henderson  | 1.12%                    |
| McLean   | 0.74%                    |
| Ohio   | 1.63%                    |
| Union  | 1.22%                    |
| Webster  | 2.91%                    |

Source: US Census 2022 ACS Table B16004

### C. Factor 3: The Nature and Importance of the Program, Activity, or Service Provided by the Recipient to People's Lives

GRADD is a regional planning agency serving the communities of Daviess, Hancock, Henderson, McLean, Ohio, Union and Webster counties. GRADD offers assistance in the fields of aging, health and social services; community and economic development; transportation planning; and workforce development.

### D. Factor 4: The Resources Available to the Recipient and Costs

It is recognized that developing English-Spanish materials would provide a valuable resource for the LEP population. All language assistance tools are provided at no cost to the recipient.

1. GRADD currently posts agendas for all meetings on its website, [www.gradd.com](http://www.gradd.com). All meetings are open to the public.
2. The GRADD website provides language translation through Google Translate.
3. The following text is included in all public notices: "Alternative formats will be made available upon request; a 7-day notice is required for alternative formats. If you have any questions or comments, contact GRADD at 270-926-4433."

## III. Language Implementation Plan

GRADD and the Owensboro-Daviess County MPO have identified the number and proportion of LEP individuals within its service area using United States Census data. As presented earlier, 98.74% of the service area population speaks English only or speaks English "very well." The largest non-English spoken language in the service area is Spanish (4,743 speakers comprising 2.3% of the population). Of those whose primary spoken language is Spanish, 46.6% identify themselves as speaking English less than "very well." Those residents whose primary language is not English or Spanish and who identify

## **Title VI Plan**

themselves as speaking English less than “very well” account for less than 1% of the service area population (0.8%). Based on the four-factor analysis, the Spanish language was identified as the one language that GRADD and the Owensboro-Daviess County MPO need to include in its Language Implementation Plan. A number of actions are described below that GRADD and the Owensboro-Daviess County MPO are taking that help improve access to GRADD/MPO information and services. These measures cover the five elements identified in the DOT LEP Guidance.

### **A. Element 1: Identifying LEP Individuals Who Need Language Assistance**

GRADD/Owensboro-Daviess County MPO may identify language assistance need for an LEP group by:

1. Work with public and private agencies that assist LEP persons. Interview staff to solicit information about the locations and needs of LEP persons they serve.
2. Continue to compile demographic information from the U.S. Census and other sources to identify concentration of LEP persons, and the type of language barriers that exist.

### **B. Element 2: Language Assistance Measures**

GRADD/Owensboro-Daviess County MPO has undertaken the following actions to improve access to information and services for LEP individuals:

1. Developing and distributing instructions to staff members that are likely to encounter LEP persons on how to respond to oral and written requests for assistance.
2. When an interpreter is needed in person or on the telephone, staff will attempt to access language assistance services from a professional translation service or qualified community volunteers.

### **C. Element 3: Training Staff**

Part of GRADD/Owensboro-Daviess County MPO’s LEP plan is deciding what level of staff training is needed. It is important that staff members, especially those having contact with the public, know their obligation to provide meaningful access to information and services for LEP persons. Even staff members who do not interact regularly with LEP persons should be aware of and understand the LEP plan. Properly training staff is a key element in the effective implementation of the LEP plan. Staff is trained to recognize when an LEP person is in need of language assistance and respond by providing information in a format that the LEP person can understand.

### **D. Element 4: Providing Note to LEP Persons**

GRADD/Owensboro-Daviess County MPO will make Title VI notice and complaint information available in the following locations:

- Lobby of GRADD office
- Employee area of GRADD office
- GRADD website: [www.gradd.com](http://www.gradd.com)

Notices will provide contact information for languages services.

### **E. Element 5: Monitoring and Updating the Plan**

This plan is designed to be flexible, and should be viewed as a work in progress. As such, it is important to consider whether new documents and services need to be made accessible for LEP persons, to monitor changes in demographics and types of services and to update the LEP plan when appropriate.

## **IV. Safe Harbor Provision**

DOT has adopted the Department of Justice's Safe Harbor Provision, which outlines circumstances that can provide a "safe harbor" for recipients regarding translation of written materials for LEP population. The Safe Harbor Provision stipulates that, if a recipient provides written translation of vital documents for each eligible LEP language group that constitutes five percent (5%) or 1,000 persons, whichever is less, of the total population of persons eligible to be served or likely to be affected or encountered, then such action will be considered strong evidence of compliance with the recipient's written translation obligations. Translation of non-vital documents, if needed, can be provided orally. If there are fewer than 50 persons in a language group that reaches the five percent (5%) trigger, the recipient is not required to translate vital written materials but should provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

In the GRADD region there are 3,899 residents (1.91%) who describe themselves not able to communicate in English "very well". Of these individuals, the largest non-English spoken language in the service area is Spanish (2.3%). Of those whose primary spoken language is Spanish, approximately 2,208 (1.0%) identify themselves as speaking less than "very well". As shown in Appendix I, the GRADD has two LEP groups, Spanish speakers and Asian/Pacific Island language speakers, which speak English less than "very well" which exceeds either 5.0% or 1,000 persons. Owensboro is home to a growing population of Burmese refugees, which accounts for the latter demographic.

Distribution of State and Federal Funds by Jurisdiction  
FY 2021-2023

As seen in the maps on pages K-3 and K-4, the highest concentrations of minority populations in the MPO area are found in Owensboro’s urban core. This map shows the impact of the distribution of State and federal funds in the aggregate for public transit projects for FY 2021 through FY 2023. Over those three years, the MPO received a combined \$23,503,001 in project and maintenance funds from KYTC as well as a combined \$514,200 from FHWA and FTA to operate the MPO. During those same three years, the City of Owensboro received a total of \$5,834,424 to fund public transportation. Appendix L will illustrate how the service provided by the city relates to minority and poverty residence.

# **Appendix L**

## **Impact of State and Federal Funds on Public Transit**

## Title VI Plan

Owensboro Transit Service (OTS) is the sole provider of public transit in the Owensboro-Daviess County MPO area. In FY 2023, it received \$1,540,474 in FTA Section 5307 funds and \$102,348 in Section 5339 funds for a total of \$1,642,822.

GRADD and the Owensboro-Daviess County MPO looked at demographic data and location of the agency's bus stops to analyze OTS's efforts to provide access to lower-income and/or higher-minority areas of the community. Maps found on subsequent pages show the locations of bus stops throughout the OTS services area, laid over a maps of Census data showing minority and low-income populations, respectively.

GRADD and the MPO compared the percentage of county residents who self-identified as racial minorities to the percentage of OTS bus stops in areas of high minority residence. The data shows that while Daviess County has a minority population of 15.5%\*, OTS has placed 75 of its 334 bus stops (22.45%) in the highest areas of minority residence.

GRADD and the MPO made a similar comparison regarding the percentage of county residents living in poverty to the percentage of OTS bus stops in areas of low-income residence. The data shows that while 16.1%^ of Daviess County residents live in poverty, OTS has placed 98 of its 334 bus stops (29.34%) in the highest areas of low-income residence.

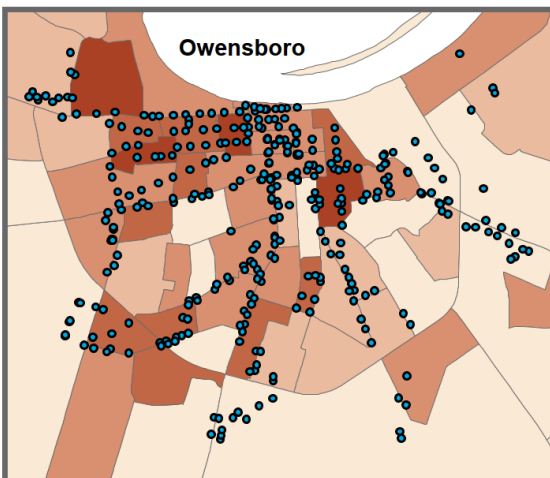

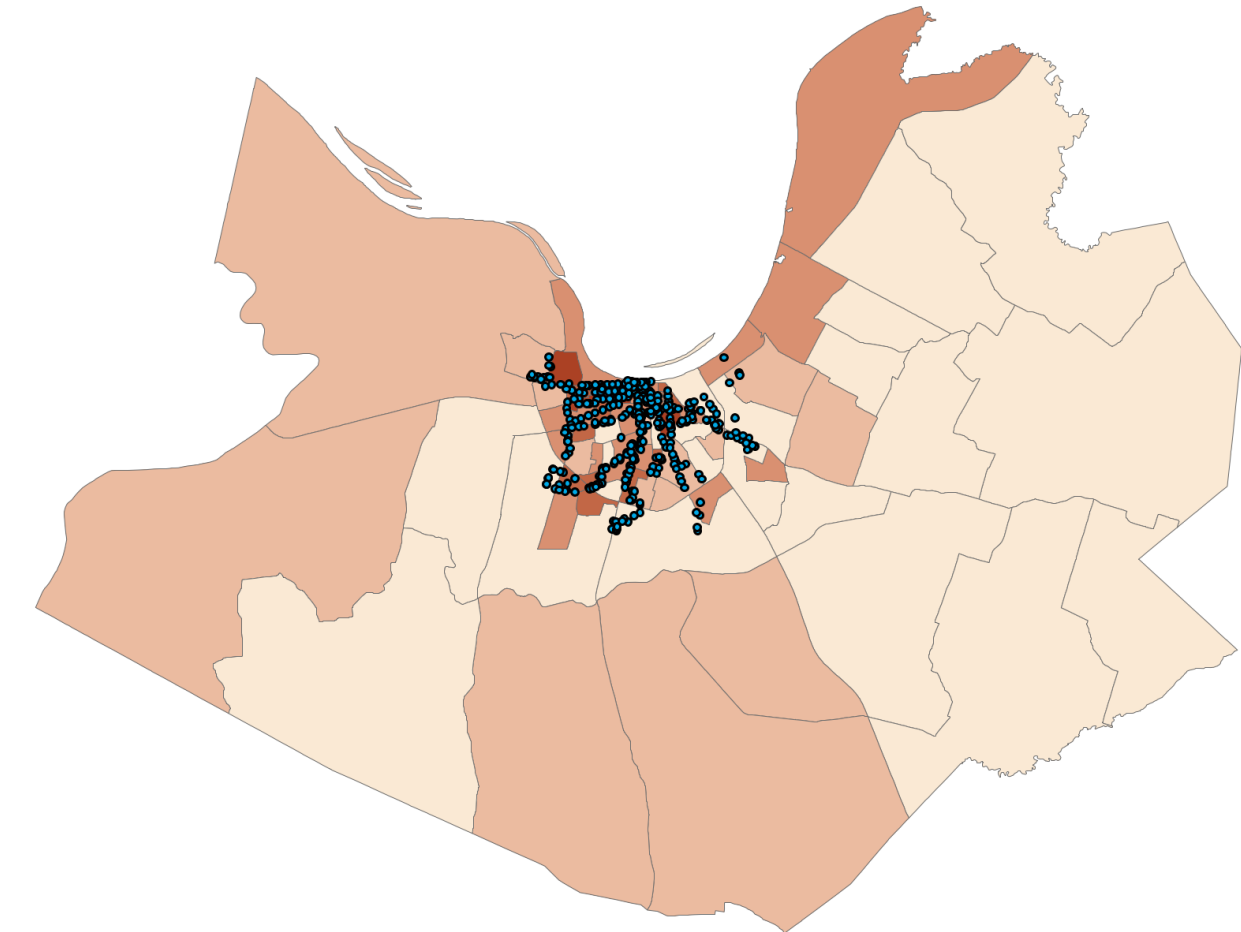

| MINORITY   |             | LOW-INCOME |             |

## **Title VI Plan**

On March 4, 2024, GRADD staff took part in a Title VI discussion and were assigned to take individual Title VI training through a website provided by the Kentucky Transportation Cabinet's Office of Civil Rights. The discussion also included instruction on when and how to use GRADD's Language Line translation service. A follow-up email provided written instructions to all staff members on how to use the translation service. Included here are a series of signature sheets showing that all members of the GRADD staff completed the Title VI training.
