

2024-2025 Schoolwide Fundraising Activities

All schoolwide fundraising activities for the 2024-25 school year are listed below. All activities must follow the current JCPS health and safety guidelines. All activities must follow the current KDE and JCPS Accounting/Redbook policies and guidelines including all documentation requirements. Fundraising activities may only be approved by the Jefferson County Board of Education (JCBE) and principals. All individual school fundraising activities were submitted and reviewed by the appropriate Zone Assistant Superintendent. Similar events across multiple schools have been combined to promote administrative efficiency in accordance with the Redbook. As required, the specific details for each planned fundraiser is included on the Redbook FSA-2A Fundraiser Approval Form. Participation in fundraising activities is always optional. When approved, all activities included below are an option for all schools unless noted otherwise.

Schoolwide fundraisers are defined as, *organized activities of soliciting and collecting money for the benefit of ALL students of a school*. All schoolwide fundraisers that involve students with sales and collections where the entire student body benefits, must also be approved by the Jefferson County Board of Education (JCBE). This includes school, PTA, PTSA, Booster, or Alumni fundraisers. It does not include service project fundraisers such as Jump Rope for Hearts or community canned good drives, or any activity that funds a specific student organization or general activity, such as athletics.
