RE: Easement Release for
744 Dixie HWY/1912 W. Broadway

To Whom It May Concern,

The Louisville Water Company is writing this letter to inform you that, per our discussion on June 25th, the Company is willing to release the easements recorded in Deed Book 9353, Page 977 and Deed Book 9353, Page 980 and abandon the public water mains within them should JCPS request it.

Should JCPS request the release, JCPS will be responsible for compensating Louisville Water for the undepreciated value of the mains and associated appurtenances contained in the easements. The Company will determine this value at the time of the request. JCPS will be responsible for all costs associated with abandoning the mains (removal, safeloading, etc.).

Sincerely,

David Mulloy
