

**Middle School Curriculum**

The middle school curriculum shall be taught in accordance with the regulations and rules of the Kentucky Department of Education and the Kentucky Academic Standards

The Board operates programs for students with disabilities in accordance with the legal obligations contained in the District's policy and procedures manual relating to such programs.

Successful completion of ~~Algebra I or Level I of a foreign language~~ a high school course offered in middle school does ~~not~~ fulfill high school graduation requirements. ~~Students shall still be required to complete at the high school level three (3) math credits and one (1) elective from those mandated by state regulations.~~
