Consent Agenda Item (Action Item): Purchase a mobile Refrigeration/Freezer and generator for the School Nutrition Department

Applicable State or Regulations: KRS 162.90 Powers and duties of the local board.

Fiscal/Budgetary Impact: The cost will come from the School Nutrition Department and other Federal Funds. There will be no direct impact on the district's general fund

History/Background: The Floyd County School Nutrition Department is in need of a mobile Refrigeration/Freezer unit. We have had several incidents throughout the year where refrigeration unit(s) has gone down for repair and have no way to transport contents. This summer we have had several Refrigerators/Freezers go down with thousands of dollars in Loss/Damage. With the addition of a mobile Refrigeration/Freezer unit we will be able to hold and transport perishable goods at appropriate temps to help mitigate loss.

Recommended Action: Approve as recommended.
