History/Background: Allen Elementary conducts school wide fundraisers to raise funds to improve and enhance school programs. All money raised will be used to fund more student activities. For example: field trip admissions, field days, bus fees, student incentives, school t-shirts for students, after school student activities, and support for various student activity programs. The additional funding, generated through fundraisers, will also cover regional and state student organization fees. Because of school wide fundraising, additional funds will be available to enhance and provide more student opportunities at AES. The money raised will directly benefit the students and programs at Allen Elementary.

Recommended Action: The administration at AES requests the fundraisers be approved for 2024-2025 school year.
