RE: Henderson County Salary Schedule Amendment Request

Please consider this request to amend the 2024-25 Henderson County Schools Salary Schedule with the following:

- One HCHS Assistant Principal at 220 days for the 2024-25 school year. The job was posted as such, but not correctly noted in the original 2024-25 salary schedule approved on June 17, 2024.
- One Elementary Principal at 230 days for the 2024-25 school year. This principal requested and was approved to have a reduced contract; however it was not correctly noted in the original 2024-25 salary schedule approved on June 17, 2024.
- North Middle School is staffed with one assistant principal at 240 days and one school manager at 185 days. The school manager resigned and NMS SBDM has requested an amendment to their staffing with the following request that I endorse:
 - Assistant Principal at 205 days with .5 assistant principal stipend - NMS staffing funding
 - Assistant Principal at 205 days with .5 assistant principal stipend - NMS SBDM funding pays the difference between the cost of the allocated school manager and the cost of the additional assistant principal.

Thank you for your consideration of this request.
