

Menifee County Schools
Directors' Report 07/18/24

Navigating with Purpose: A Pathway to the Future

Instruction/Assessment

New Teacher Induction Program: Scheduled for July 30th and 31st.

Beginning of the Year PD: Starts on August 5th.

Highlights:

- Jennifer Brown, 5th-grade social studies teacher, presented at the Momentum Conference on her implementation of Project-Based Learning in the classroom. Several staff members from Menifee Central also attended.
- District Administrators presented at the Southern Regional Education Board's National Conference on "Portrait of a Learner" and "Leveraging Artificial Intelligence to Align Instructional Systems."

Communication Plan

The Menifee County School District Communication Plan for 2024-2025 outlines a comprehensive strategy to enhance communication within the district and with its broader community.

Purpose:

The communication plan serves to align all stakeholders with the district's vision, mission, and the Menifee County Schools Portrait of a Learner. It aims to inform and engage both internal (students, teachers, staff, administration, and Board of Education) and external audiences (parents, businesses, civic groups, etc.).

Goal:

Enhance educational programs by fostering ownership and partnership among stakeholders through transparent and timely communication systems.

Objective: Improve internal and external communication to establish open, two-way dialogue across the district.

Communication Plan

Strategies and Best Practices:

- Ensure transparency in all district communications.
- Clarify the flow of information within the district.
- Provide ongoing training for administrators on effective communication.
- Regularly inform stakeholders on district-wide issues.
- Establish systems for community feedback and input.

Communication Venues:

- Utilize various channels such as printed materials, online platforms (district website, social media), radio/TV announcements, and district facilities to disseminate information effectively.
- Emphasize clear and concise communication tailored to diverse audiences.
- Encourage face-to-face interactions for important communications.

Communication Plan

Assessment and Accountability:

- Implement tracking systems including benchmarking, focus groups, and surveys to evaluate communication effectiveness.
- Review and update the Communication Plan annually to ensure relevance and efficacy.

Conclusion:

The Menifee County School District Communication Plan for 2024-2025 is designed to strengthen relationships and promote transparency across all levels of the community. By enhancing communication strategies, the district aims to support its vision of preparing students for future success while engaging stakeholders in collaborative efforts for educational excellence.
