### PC & FRIENDS | 11:00 - 12:15 PM

Hosted by Dr. Phillip Campbell, this session features the perspectives of educators and students. Honest conversation and a couple unexpected twists make this general session an attendee favorite.

### RENAISSANCE RALLY | 2:45 - 4:00 PM

**At JRGC, you get to experience a Renaissance Rally first-hand. And, in true Renaissance fashion, we hope you steal this idea and use it at your school!**

Renaissance Rallies are the most high-profile recognition event in Renaissance Schools! A rally is THE party of the year - in the most meaningful way! In Renaissance schools, an academic pep rally genuinely connects with students. Students and educators look forward to the rally because of how it brings the school together for lights, music, games, applause, laughter and recognition. All of those things are important, but the element that really sets it apart is the recognition.

Unlike a typical rally, which might focus on sports teams or elite scholars, a Renaissance Rally is specifically designed to celebrate a broad number of students for academics and character, along with the Stafflity that helped make those achievements happen. Shining the spotlight on important achievements that may have normally gone unnoticed creates very memorable moments and school pride.

At many schools, the concept of providing such a high-energy recognition of academics and character is foreign, so we can't wait for you to experience this!

THURSDAY | JULY 18

CLOSING GENERAL SESSION | 10:45 - 12:00 PM

**STEVE BOLLAR | Closing Keynote**

Steve Bollar, aka Stand Tall Steve, is an educational thought leader, former superintendent, principal, author and school-culture expert. Known for his quick wit, creative thought and humorous personality, Steve has been identified as one of the Top 30 Global Gurus in Education and was inducted into the Renaissance Hall of Fame in 2007.

Finish JRGC on a high note with our closing general session that unites all attendees in celebration and reflection. Feel the collective energy as a dynamic keynote speaker offers final insights and inspirations, ensuring everyone leaves with a heart full of joy and a mind brimming with transformative ideas.

ACTION PLANNING WORKSHOP | 1:00 - 3:00 PM

The Action Planning Workshop is an optional 2-hour session on Thursday, July 18 from 1:00pm - 3:00pm for school groups that want to ensure that they return home with a plan. This dedicated time can bridge the gap between inspiration and action. School groups will be guided through a process that will facilitate discussion, thinking and planning with the support of a Renaissance expert who will also provide insights and guidance.

This is a ticketed event and lunch is not included.

**\$125 PER PERSON | Educators and Students**

Renaissance Champion Liz Dalzell will facilitate the 2024 Renaissance Action Planning Workshop, an optional 2-hour post-conference session for school groups that want to ensure that they return home with a plan. This dedicated time can bridge the gap between inspiration and action.
