Board Member Questions

<p>How much does Greater Louisville Head Start cost?</p>	<p>Head Start is free to income eligible children, birth to age 5 (at or below the federal poverty level) and is federally funded. We have no connection in terms of funding, but we do collaborate with the Head Start grantees in Jefferson County (Greater Louisville Head Start and OVEC) by sharing recruitment information with families.</p> <p>JCPS does not receive any Head Start funding. JCPS relinquished Head Start before 2019.</p>
