Summer Learning/Programming:

- Summer Learning has wrapped up here at Lincoln. The partnership with 21st Century and the Lincoln teaching staff is inspiring and intentional. We served approximately 70 students during this summer. We greatly appreciate the entire staff's flexibility during current Project One work, which caused changes in locations for classroom spaces; feeding; etc.

Back to School Family Partnership Meetings:

- Rather than a crowded and quick Open House event, we have allotted time for each family to come in for a 1/2 hour time slot on Thursday, August 8th or Friday, August 9th to learn of, meet, and sit down to talk about their child with EACH of their child's newly assigned teachers and support staff.

 - We have had the extreme pleasure of partnering with DHS to host a variety of family outreach programs throughout this summer with DISTRICT students and their families:
 - ***Greendevil Parties in the Park*** – Hosted four total Parties in the Park events around the city parks of Dayton where we connected with our families. We did collaborate with the city on their community bash on July 13th!
 - ***Greendevil Ice Cream Van*** – During each summer month, we had the opportunity to go out INTO the community to deliver ice creams to our students, their families and community helpers.
