Spring Individual Tennis

**Positive Developments
and Highlights**

This year's event would have not been possible without the support of the University of Kentucky, Berea College and Eastern Kentucky. We thank them for their willingness to host our student-athletes and all their efforts in making the tournament a success.

**Championship
Update/Review**

Conducting the event across three different sites created logistical challenges for our office, as well as the coaches who had participants at multiple sites. These issues were not a surprise and should not be a problem in the future, as we expect Shillito Park to be ready for competition in 2025.

**Fiscal and Budget
Issues and Review
(attendance, etc.)**

Competing at three different sites on the first day of the individual/doubles tournament resulted in increased expenses as additional officials and staff were needed to conduct the event.
