Fall Golf

**Positive Developments
and Highlights**

Planning is well underway for the 2024 Golf postseason. Information on the regional tournaments will be posted to KHSAA.org as soon as the last few courses/hosts are finalized. I am working in conjunction with Golf House Kentucky to setup virtual meetings with First Round State hosts and will do the same very soon with representatives from Bowling Green CC.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

Our initial site selection/rotation for the State First Round was only set through 2025. We have a tentative agreement with a course to fill our only vacancy in 2025 (for Regions 5-8). Securing sites for future years will be a top priority. Any region/school interested in hosting the first round in future years should contact this office. This was outlined in the online rules clinic and will be reiterated, once again, during the regional administrator meetings.

**Championship
Update/Review**

Regions (Sept. 23-25)
State First Round (Sept. 30-Oct. 2)
Site 1 (Regions 1-4) - Hopkinsville GC
Site 2 (Regions 5-8) - Shelbyville CC
Site 3 (Regions 9-12) - Eagles Next CC
State Final Round
Boys (Oct. 7-9)
Girls (Oct. 10-12)

**Officials
Update/Review**

Golf House Kentucky has asked that any region requiring a rules official for its tournament should reach out to their office as soon as possible, due to the shortage of officials statewide.
