

1. The goal of the agreement is to facilitate the provision of mental health services to students attending Boone County School District and their families. Student insurance will be utilized for billing purposes, thus Boone County Schools will have no financial responsibility for the payment of services.
2. The schools will provide a safe environment, space, and reasonable accommodations to allow the provision of services during the school day and in school buildings.
3. Resolutions Therapy Practice will provide intake and qualification services to families referred by school staff, and provide services pending provider availability.
4. Resolutions Therapy Practice will provide mental health support services to eligible students with KY Medicaid, to help bridge the gap between schools, homes, and outside agencies, as well as consultation with school personnel that will enable us to help support our students.
5. This contract can be modified in the event that Boone County School District desires expansion to more schools/areas, requiring Resolutions Therapy Practice to hire employees specifically to accommodate the increased need, said contract would simply include language agreeing to utilize Resolutions Therapy Practice for an agreed upon amount of time, thus allowing for stability of therapist employment.
