Summer Programming

Learning does NOT stop during the summer. We had students participate in several summer programming offerings.

ESS Summer School at MCHS: 6 students

21st CCLC at Menifee Central: 48 students

Kindergarten Camp: 41 students

Other programs our students participated in: Entrepreneurial Leadership Institute, Rogers Explorers, Rogers Scholars, Appalachian Career Training in Oncology (ACTION), Congressional Academy, Kentucky Beef Council Youth Leadership Program, FFA Leadership Camp, National and State Conventions for FBLA, FFA, and HOSA.

Menifee Youth Basketball Program had approximately 75 students participate! Students also completed several community service hours through JAG and Athletics.

Attendance 2024 / 2025

BEST SUCCESS,

9 or LESS!

We are focused on decreasing chronic absenteeism for all students. We encourage students to miss 9 or less days (excused or unexcused) for the year.

Attendance initiative signs are being placed throughout the county.
