Re: Gaga Ball Pit Donation

Mt. Washington Elementary is requesting approval of a Gaga Ball Pit. The dimensions would be 16 feet in diameter. This Gaga Pit is being built/donated by Nicholas Huff, a BCPS student, for an Eagle Scout project for the students at MWES..

We will need to ensure that the area is surveyed for appropriate placement in the field near the school arboretum before digging and equipment can be ordered.

Thank you and please let us know if we need to submit additional documentation.

Sincerely,

Leslie Weihe
