THIS IS A DECISION PAPER

TO: Hardin County Board of Education

FROM: Teresa Morgan, Superintendent

Subject: Modified School Schedule for a Student with a Disability

ISSUE:

An Admissions and Release Committee (ARC) has determined that a modified school schedule is appropriate for this student. The student is a child with an Other Health Impairment and is diagnosed with Idiopathic Intracranial Hypertension. The student's physical stamina is compromised due his/her diagnoses. .

FACTS:

The student is a child with an Other Health Impairment and is diagnosed with Idiopathic Intracranial Hypertension. The ARC is requesting a modified school schedule that allows him/her to attend from 7:15am to 12:00 pm on Mondays, Wednesdays, and Fridays. A typical school schedule is 7:30 to 2:15 Monday through Friday.

CONCLUSION:

The modified schedule would allow the student the ability to benefit from the general curriculum while at school by being more rested and decreasing physical stamina by leaving early to allow more rest.

RECOMMENDATION:

I move that the Board of Education grant the Admissions and Release Committee's request for a modified schedule for this student with a disability.
