

# Assistant Superintendent Report

Tiffany Hicks

August 2024

## Curriculum, Instruction, Assessment

- We have been working on organizing all of the essential standards documents and cleaning these up for teachers. We've also created a new interactive Bellevue Classroom Prezi that you can view [here](#).
  - We shared this with all new staff at New to the Vue and had great discourse around the strands and threads.
- Sara Teegarden and I have been meeting with all new teachers to ensure they are ready for the first days of school! We helped teachers set up their classrooms, plan community building / belonging activities, and begin to dive into their curriculum and resources. We will continue to meet with all new teachers at least once a week in the first semester.
- **Assessment / MTSS Calendar**
  - We've created a district-wide [calendar](#) to include all MAP windows, SEB screeners, MTSS meetings and more. The assessment calendar is linked in this document.
- The individual KSA data was released last week and the percentages can be found at this link. I sent these preliminary scores to all administrators and am now working on the data cleanup in SDRR. The actual accountability calculations will not be released until September. If you'd like to review the data, please let me know! I can't share it publicly just yet.
- Our MAF Coach resigned (Kelsey Rozanski), so this position has been posted.

## Gifted / Talented, English Language Learners, Mental Health

- Tracey Elrod (G/T) and Daniele Novak (EL) are working on their schedules to service our students and teachers. We are excited to have both of these individuals who will continue to close the gap on meeting our students' needs!
- The Mental Health Team (Vanessa Kuhn, Jessica Martin, Sarah Sharp, and Heather Conley) presented a great professional development session to all BMHS teachers on Trauma Informed Care and Character Strong on August 7.

## Professional Development *(all clickable links)*

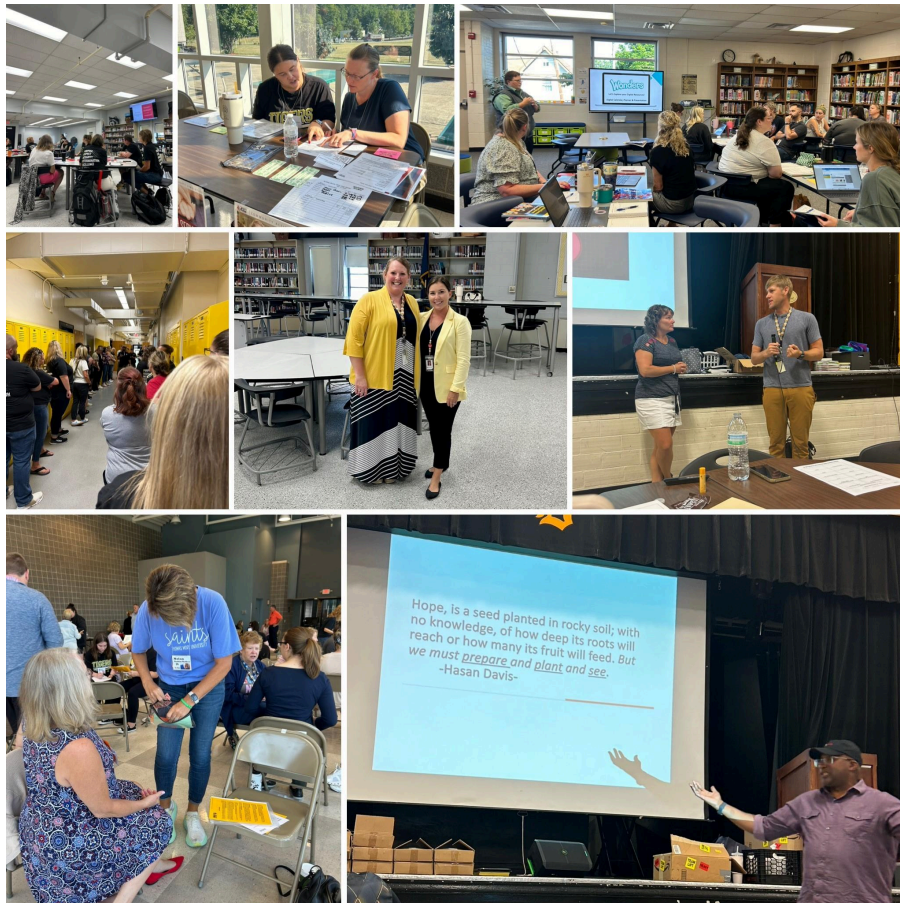

- ['24 - '25 GES PD Plan](#)
- ['24 - '25 BMHS PD Plan](#)
- [BISD Internal Labs](#)

## Budgets / Grants

- I am meeting with the necessary individuals to determine budgets for KyCL, MAF, ESS, G/T, SIF, and CTE. This is a learning opportunity for me! I am grateful for Ms. Middleton's and Ms. Wright's guidance on all of this.

## Upcoming Dates:

- August 15: 1st Day of School 😊
- August 26 - 30: Fall MAP Testing Window
- September 23 - 27: SEB Screener Window
- September 26: Brigance Kindergarten Screening Due
- October 7 - 11: MTSS Meeting Window #1
- October 14 - 18: Fall Internal Labs
- October 24 - 25: Assessment Conference
