**Date: August 13, 2024**

**Consent Agenda Item (Action Item)**

**Consent Agenda Item:** Consider and approve the creation of a full time Itinerate Health Assistant position to be based primarily at the Renaissance Learning Center and School of Innovation.

**Applicable Statutes or Regulation:** KRS 162.90 Powers and duties of the local board.

**Fiscal/Budgetary Impact:** Salary commensurate with FCBOE approved salary schedule.

**History/Background:** Due to the growing number of students at RLC and FCSI with unique health related needs and the increasing number of health office visits that will be required the district needs to create a full time Health Assistant position to provide consistent medical and emergency care to all students. The rotation of health assistants into the health office at RLC and FCSI. to provide coverage is not feasible due to the demands at the other schools. The health assistant will be hired as an itinerant and remain at RLC and FCSI full time with the option of rotating to other schools throughout the district at the discretion of the District Health Coordinator should a health assistant be out of the office for an extended time.

**Recommended Action:** Adopt as recommended.

**Contact Person:** Annette Harris-Ward, RN M.S. Ed. District Health Coordinator
