TO SIMPSON COUNTY SCHOOLS

Strategic Highlights

May 2024 was a busy month for two important reasons. First, BGEMS/CIWKY hosted its Inaugural Mandarin Language Exhibition in which 60 students performed live on stage on Saturday, May 11, 2024, at the Holiday Inn University Plaza. The day was set up with contemporary art by renowned Chinese artists and concluded by awarding 1st place prizes (trophy and \$250 Cash) in the categories of Speech/Recitation, Song, Dance, Instrument/Painting. Second, as school year nears its end, the BGEMS/CIWKY staff traveled to visit all of the teachers outside of Kentucky as many will not return for next year.

Financial Highlights

As of April 30th, the balance in the BG Education Management Solutions, Inc. account was \$28,729.61 and \$125,244.00 was requested during the month for a total of \$153,973.61. During the month of May 2024, a total of \$140,664.08 was spent, with the largest expenses in supplies and independent contractors. The balance as of May 31, 2024, was \$13,309.53.

Operating Highlights

A total of 19 new teachers have successfully been vetted and have begun teacher training on March 3, 2024. The CIWKY seeks to have a total of 35 teachers in the U.S. for the academic year 2024/2025.

Looking Ahead

The program seeks to position itself to take the program nationally and not just teachers in Kentucky.

Please read through the document and advise of any questions or concerns.

FINANCIAL SUMMARY

As of April 30th, the balance in the BG Education Management Solutions, Inc. account was \$28,729.61 and \$125,244.00 was requested during the month for a total of \$153,973.61. During the month of May 2024, a total of \$140,664.08 was spent, with the largest expenses in supplies and independent contractors. The balance as of May 31, 2024, was \$13,309.53. Due to the uncertainty of receiving additional funds, a frugal approach was taken. Some of the following measures were taken:

- **Chinese International Education Foundation (CIEF)/North China Electric Power University (NCEPU) Budgets** – The CIWKY has submitted the budget for 2024 on January 1, 2024. A total of \$881,844USD was requested, but was ultimately approved for \$756,000USD to be received by April 08, 2024.
- **Billings for Confucius Institute Teachers** – All billings for academic year 2023/2024 have been billed as of September 2023 for a total of \$148,000 to schools/districts.

Please see below for a snapshot of the expenses and projected revenue for May 2024. In addition, the balance sheet, and receipts of all expenditures (including receipts) are included with the financial report. The balance on the ledger as of May 31, 2024, was \$13,309.53. The funds are not enough to cover June 2024; thus, this is the formal request to transfer **\$140,000.00.**
