Receive Special Report Item: Synovia – Here Comes the Bus; Tyler Tech

Applicable State or Regulations: KRS 162.90 Powers and Duties of the Local Board.

History/Background: Synovia-Here Comes the Bus is currently installed on 50% of our buses. The system lacks navigation and is limited in student tracking ability. This platform in addition to other third-party platforms (not including additionally needed) cost the district \$44,000.00 annually. Tyler Tech includes all required/needed platforms (and more), functionality, and student tracking to ensure safety; and would cost the district approximately \$35,500.00 annually.

Recommended Action: Consider further study and future action to potentially transition to a new platform (Tyler Tech).
