- Rental is to paid for the days and times that have been set aside for you regardless of use. Days that the facility is closed will not be charges to your team..
- Silverlake will need a roster of your team by October 13, 2024, including name, email and phone number.
- Each swimmer must complete the waiver form at SilverlakeFamily.com. Once received, Silverlake will send each swimmer log in information to download the Silverlake app. This will be used to scan at the front desk for entry to the facility. Swimmers are not permitted to use the facility except the locker rooms and the assigned lanes during practice times.
- Each coach must read the facility rules and guidelines to ensure that all swimmers follow the rules.
- Any additional practices or schedule changes must be approved by the Aquatics Director at least one week in advance. Failure to cancel lane times as required will result in charges to your account.
