

**MEMORANDUM OF AGREEMENT**  
**Between**  
**Jefferson County Board of Education**  
**And**  
**21<sup>st</sup> Century Parks, Inc. dba The Parklands of Floyds Fork**

This Memorandum of Agreement (hereinafter "Agreement") is entered into between the Jefferson County Board of Education (hereinafter "JCPS"), a political subdivision of the Commonwealth of Kentucky, with its principal place of business at 3332 Newburg Road, Louisville, Kentucky 40218 and 21<sup>st</sup> Century Parks, Inc. dba The Parklands of Floyds Fork (hereinafter "The Parklands"), a 501(c)(3) non-profit organization located at 471 W. Main Street, Suite 202, Louisville, KY 40202.

WHEREAS The Parklands of Floyds Fork serves as an outdoor classroom that teaches STEAM (science, technology, engineering, arts, and math) as well as natural history through hands-on, outdoor discoveries to stimulate curiosity and enhance scientific literacy in our community. The Parklands education initiative, S.E.E.D. (Stewardship, Education, Exploration, Discovery), connects youth to The Parklands through engaging, exploration-based, science programming in the parks and in schools. The S.E.E.D. program fosters a sense of place and a stewardship ethic among participants using the many different habitats found throughout The Parklands 3,800 acres, connecting people with local landscapes.

THEREFORE, in consideration of the terms, conditions, premises, and mutual agreements set forth herein, JCPS and The Parklands agree as follows:

**1. Duties of JCPS:**

- a. Schools interested in participating in S.E.E.D. will schedule field trips and in-class programming with The Parklands staff.

**2. Duties of The Parklands:**

- a. Through The Parklands S.E.E.D Program participating partner schools will receive two field trips to The Parklands each school year (one in the fall, one in the spring) as well as two winter outreach programs at their school. The Parklands will cover transportation costs to and from The Parklands for in-park field trips as well as program and supply costs making this a free program for participating S.E.E.D. partner schools.

The S.E.E.D program is available for students in grades K-12 who attend Title 1 schools. In-park field trips provide hands-on science education for roughly 2-4 hours per field trip. In classroom outreach programs at the schools offer a one hour program per class per visit over the winter months.

- b. Acknowledges that projects involving program evaluation, monitoring activities, or data collection or research of any kind, are subject to JCPS IRB review and approval as determined by the JCPS IRB to meet federal, State, and Board policies. In these cases, JCPS student or staff participation is voluntary. As a federally authorized Institutional Review Board (IRB), JCPS complies with the

federal definition for research, which includes sharing of Personally Identifiable Information (PII) for the purpose of answering a question or evaluating activities for effectiveness beyond standard educational or operational procedures. Thus, all research, program evaluation and data collection activities must be approved by the JCPS IRB and shall not begin before approval is secured from the JCPS IRB.

- c. If the performance of this Agreement involves the transfer by JCPS to The Parklands of any data regarding any student that is subject to the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g as amended, (“FERPA”), The Parklands and JCPS must manage the data transfer in accordance with FERPA requirements, and The Parklands agrees to the following conditions:
  - i. If The Parklands requests transfer of identifiable data by JCPS that is subject to JCPS IRB procedures, as determined by the JCPS IRB to meet federal, State, and Board policies, JCPS cannot transfer identifiable data to The Parklands before the JCPS IRB-approved informed consent process has been executed. In this case, The Parklands does not function as an exception under FERPA. The Parklands is responsible for obtaining, and maintaining, signed consent after JCPS IRB approval. No data will be provided under this agreement without signed consent from the guardian for records requests involving students or from the JCPS employee or community member for records requests involving adults. The Parklands must deliver copies of the signed authorization to JCPS upon request.
  - ii. If The Parklands has been legally deemed a FERPA exception by JCPS in accordance with FERPA Exception Conditions, then The Parklands shall:
    - (a) In all respects, comply with the provisions of FERPA, including any requirements of Chapter 99 of Title 34 of the Code of Federal Regulations and any other applicable state or federal law.
    - (b) Use any such data for no purpose other than to fulfill the purposes of this Agreement, and not share any such data with any person or entity other than The Parklands and its employees, contractors, volunteers, and agents, without prior approval of JCPS. Disclosure shall be limited to only those employees, contractors, volunteers, or agents who are necessary for the fulfillment of this Agreement.
    - (c) Require all employees, contractors, volunteers, and agents of The Parklands to comply with all applicable provisions of FERPA with respect to any such data. The Parklands shall require and maintain confidentiality Agreements with each employee, contractor, volunteer, or agent with access to data pursuant to this Agreement.
    - (d) Maintain any such data in a secure environment, whether physical or electronic, and not copy, reproduce, or transmit any such data except as necessary to fulfill the purposes of this Agreement. The Parklands shall notify JCPS within 24 hours in the event of any

data breach or disclosure of data to any person or entity other than the parties listed in this agreement.

- (e) Collect, store, and maintain data in a manner that does not permit the identification of an individual student by anyone other than employees, contractors, or agents of The Parklands necessary for the fulfillment of this Agreement and having a legitimate interest related to the purposes of this Agreement in knowing such personal identification, and not disclose any such data in a manner that would permit the identification of an individual student in any form, including, but not limited to, published results of studies.
- d. Limit data requested from JCPS to the specific elements listed in Attachment A. If the data request is associated with an approved JCPS IRB application, then the data in Attachment A should match the JCPS IRB final approval letter data elements listed.
- e. Adhere to the reporting timeframes (e.g., quarters, semesters, years) service provider requested in Attachment A.
- f. Adhere to the timelines in Attachment A for when a service provider will provide JCPS with lists of students, signed consent forms, etc. Notify JCPS of unexpected changes in timelines as soon as possible and accept that changes may alter JCPS' capacity to provide requested data.
- g. If relevant, obtain signed non-disclosures (Attachment B) for each individual from The Parklands responsible for evaluation and analysis activities who must access identifiable data referenced in Attachment A.
- h. Use reports produced for this project only for the purposes described above. The data and reporting shall not be used for personal or institutional gain or profit.
- i. To direct all communication and decisions regarding the evaluation, data collection, and analysis to the Accountability, Research, and Systems Improvement office.
- j. Acknowledges that JCPS retains the right to audit The Parklands' compliance with this agreement.
- k. The Parklands acknowledges that any violation of this Agreement and/or the provisions of FERPA or accompanying regulations related to the nondisclosure of protected student information constitutes just cause for JCPS to immediately terminate this Agreement pursuant to Article V of this Agreement.
- l. Not use the name or logo of JCPS or individual JCPS schools in printed materials, websites, videos or social media without prior approval from JCPS.
- m. Maintain an all-risk property and casualty insurance policy with respect to the facilities and a policy of commercial general liability in amounts no less than \$1,000,000/\$2,000,000 per policy and provide JCPS with a certificate of insurance upon request.

- p. The Parklands staff and volunteers will comply with all JCPS health safety guidelines including rules related to COVID-19 mitigation.
- q. To the extent that JCPS facilities are closed to students, those facilities will also be unavailable to The Parklands. During any periods of the Non-Traditional Instruction (NTI) or remote learning, JCPS facilities will not be available to The Parklands.
