Agenda:

Monday, August 12, 2024

Meeting called to order at 3:30pm

1. Opening Business

- a. Roll Call – Michelle Hood, Jon Beiersdorfer, Dawn Griffith, Renee Fuson, Ben Brown, Jon Hopkins, and Tony Magner
- b. Good News Report(s) – Construction is well underway. Boys restrooms in the senior building are all in the process of being renovated. Renovations have also began on the bottom floor of the Senior Building. The café is close to being complete and will be ready before school starts. We are all excited to welcome students back in 2 weeks!

2. Technology Initiative – All iPads have been wiped for the upcoming year, and the goal is for students to have devices first day of school. All teachers will help load the iPads during the work-week before students start. iPads will continue to be stored in 6th bell class. Individual ipads – not class sets. Griffith discussed the need to tighten up the procedures of storing iPads to ensure all iPads are charged, and the need to create a procedure of when students are allowed to bring a device home. The group agreed that a student needs admin/counselor approval, and that needs to be communicated to the 6th bell teacher.

3. School Improvement Planning Report – will complete for year in the fall and will need input. Goals based on scores that will become public in October.

4. Budget Report – Just spent \$3000 in E hall pass, which will really help issues of students being in hallways. Budget will be shared out this week. We have used other funds (SIF funds, Title 1) for big ticket items such as IXL, Liveschool, etc.

5. Other Committee Reports – Foundations updates: Hoodies are allowed but the hood can not be up, or the hoodie will be confiscated. The cell phone procedures will remain the same this year. Foundations discussed, and Brown reiterated, that we all need to do a better job of PLPing contacts home.

6. Bylaw or Policy Report or Review. – will begin reviewing in September to ensure we have updated policies.

7. New Business

- a. Curriculum/Instruction – Readifest on 8/20 from 4-6. Forms – all online.
- b. Enrollment/Attendance – 91.85% last year, which is an increase – 37% of students are chronically absent. Looking at strategies to improve that.
- c. Staffing Update – still need to hire 1 security, 1 carpentry, possibly 1 IA
- d. Consultation – discussed the other positions that we have hired so far.
