Dear Insured,

This letter is to inform you that the Building Replacement Cost Value (BRCV) on file for the building or unit referenced above must now be updated. The National Flood Insurance Program (NFIP) requires that the BRCV be evaluated every 3 years; it has been at least 3 years since the BRCV has been updated.

The BRCV as currently listed on the above-referenced policy is \$1,200,000. The amount of building coverage on the policy is \$7,000.

You must provide the current BRCV, including the cost of the foundation.

For an Other Residential Building, Non-Residential Building, and Non-Residential Unit the insurer must obtain the BRCV for the building (including the cost of the foundation) to meet this requirement. The BRCV may be obtained by using common industry practices.

If you have any questions about the information in this letter, please contact Earlena M Duncan at (606) 298-0863.
