REACH Evaluation shall notify JCPS within 24 hours in the event of any data breach or disclosure of data to any person or entity other than the parties listed in this agreement.
  - (e) Collect, store, and maintain data in a manner that does not permit the identification of an individual student by anyone other than employees, contractors, or agents of REACH Evaluation necessary for the fulfillment of this Agreement and having a legitimate interest related to the purposes of this Agreement in knowing such personal identification, and not disclose any such data in a manner that would permit the identification of an individual student in any form, including, but not limited to, published results of studies.

  - f. Adhere to the timelines in Attachment A for when a service provider will provide JCPS with REACH Evaluation [lists of students, signed consent forms, etc]. Notify JCPS of unexpected changes in timelines as soon as possible and accept that changes may alter JCPS' capacity to provide requested data.

- g. If relevant, obtain signed non-disclosures for each individual from REACH Evaluation responsible for evaluation and analysis activities who must access identifiable data referenced in Attachment A.

### Kentucky Regional Prevention Centers: Authorization to Release Results

Kentucky's Regional Prevention Centers (RPCs) assist communities in developing and implementing comprehensive plans to prevent alcohol, tobacco, and other drug (ATOD) use and misuse. Fourteen centers are available to serve all counties in the state. Prevention specialists at each center provide education and training programs, information, and consultation services. KIP Survey data is a powerful tool in these efforts.

Would you like to authorize release of your district's 2024 KIP Survey results to your Regional Prevention Center (RPC)? \*
