Recommendation/Motion: Authorize the Superintendent to execute a contract with Synergy Test and Balance, Inc. in the amount of \$43,048.00 (Forty-three Thousand, Forty-eight Dollars) to perform the third-party Testing, Balancing, Lubrication and Adjustments (TAB) services outlined below, subject to review/approval of the FCPS General Counsel.

It is a required for the owner to hire a third party to do this in order to ensure that systems are installed properly and are performing at the optimal and most energy-efficient levels. If issues are found during the testing, then the TAB contractor works with the other contractors to ensure components meet the operational objectives required.
