Re: The Art of Education University Professional Learning Platform

The attached quote is for the purchase of The Art of Education University professional learning platform, which includes supplemental resources specifically designed for art teachers. This platform offers comprehensive product training and implementation support to enhance the teaching and learning experience in our art programs. This platform is expected to improve art instruction quality by offering targeted support and resources that align with our educational goals. Additionally, it provides teachers with the tools to stay current with best practices in art education. This resource will significantly contribute to the professional development of our art teachers and ultimately improve student outcomes in the arts. The cost of the platform and professional development around the use of the platform is \$3402 and will come from the Curriculum, Instruction, and Assessment budget. In addition, this has been reviewed by Dinsmore & Shohl, LLC. Approval is requested for this agreement.
