## Assessment / MTSS Calendar

- We've created a district-wide [calendar](#) to include all MAP windows, SEB screeners, MTSS meetings and more. The assessment calendar is linked in this document.
- We finished Fall Map Testing last week! The individual schools will include a report in their report this month, but I've attached a district profile report to my overall report.
  - Sara Teegarden and I will also be sending home the student family report and are creating small tutorials to explain to families what the report includes and how they can help their student continue growing.
- We are almost finished with Brigance (Kindergarten) and we have 23 Seniors signed up to take the ACT in October!
- Our MAF Coach position has been offered! We are waiting to hear back from her if she accepts. We are excited to potentially get this position filled!

## Gifted / Talented, English Language Learners, Mental Health
