

## **Monthly Board Report English Learner Services**

Current total EL student population: 12

Grandview ES: 3

Bellevue MS/HS: 9

Sent invites to all of the middle and high school teachers to meet and review our EL students' Program Service Plans. Met with all teachers who responded. Will continue reaching out. Tested incoming K student today (9/10). Will reach out to ES teachers of EL students this week.

Began providing pullout and collaborative EL services to our MS/HS EL students needing support. Will add ES students needing support.

PSPs will be going out to families this week (week of 9/9).

Current schedule is to provide support on most Tuesdays and Thursdays. Contract is  $\frac{1}{3}$  which is less than 2 days a week, so this will vary a bit, but will be communicated to affected students and staff.
