We have activities planned for KY High Attendance Day! Each week, attendance-based posts will be shared. On September 12th, KY High Attendance Day, every student who is present will receive a special treat and be entered into a drawing for fun prizes. We look forward to reviewing our attendance percentages for that day!

Building attendance committees have begun regular meetings, and we are integrating them with our school CARE team meetings. These meetings bring together all necessary stakeholders to discuss and address the needs of our students and families.

I have created a new attendance tracking sheet, which you can access [HERE](#). This sheet breaks down attendance by month, week, and school, and provides an overview of district-wide attendance. I will update this document every Friday.

504 District Contact

As the new 504 District Contact, I am taking time to review existing processes and solidify procedures. Tara Wittrock has been an essential part of ensuring a smooth transition.

- Hubbard's Cupboard is working really well.
- I am taking 10 students to NKU for their Youth Summit. The theme this year is "My Best Self." The summit will focus on topics of high interest to our youth, including substance use and its impact on youth brains, trauma-informed care, the role of social media in mental well-being, and healthy relationships, including conflict management.
- The dentist will be here from September 23-25.
