Fall 2023 to Fall 2024 Comparison - Grades 6-12

- By the NWEA definition of growth, we are starting in a stronger position this year, than we started in the Fall of 2023. However, this is a starting point. The keys to watch will be the growth between the Fall/Winter Assessment, the growth between the Winter/Spring Assessment, and the growth over the course of the year between the Fall/Spring assessment.
