RE: Bid Results – Henderson County Schools  
Spottsville, Cairo & Niagara Wastewater Treatment Project  
RBS 21046

Chad and Ben,

As you know the concrete waste water treatment plant bids that we received were much higher than anticipated. Therefore, it is the design team's recommendation for the Board of Education to reject all bids and direct the design team to reissue the documents with a steel package waste water treatment plant as the base bid, and the concrete waste water treatment plant as an alternate bid. Please have the following motion approved:

"Reject the Waste Water Treatment Plant bids and direct the design team to reissue the contract documents to receive bids with a steel waste water treatment plant as the base bid and the concrete treatment plant as the alternate bid"

Sincerely Yours,

A handwritten signature in blue ink, appearing to read "Craig Thomas". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
