RE: Parent Teacher Student Organization (PTSO) Zoneton Middle School

Zoneton Middle School would like to allow a Parent Teacher Student Organization (PTSO) to be created beginning with the 2024-2025 school year. This PTSO would be created by families of students currently enrolled at ZMS at the time of service. PTSO is a school-based organization that aims to foster a strong relationship between parents, teachers, students, and the school administration. This would create an opportunity for students to experience activities not otherwise provided at school.
