Introduction

- **Purpose of FSCS Program**

- The Full-Service Community Schools (FSCS) program provides support for the planning, implementation, and operation of full-service community schools that improve the coordination, integration, accessibility, and effectiveness of services for children and families, particularly for children attending high-poverty schools, including high-poverty rural schools. The FSCS program was re-authorized under Title IV through Community Support for School Success, sections 4621-4623 and 4625 (a) of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESEA).
