Re: Inkwire, Inc.

The attached agreement is to utilize the Inkwire platform which is a project-based learning tool for teachers and students in creating more learning experiences connected with our instructional vision. That platform allows teachers to create inquiry-based learning through the PBL instructional framework that allows students to curate work samples in multiple formats and modes. Our schools are already using the tool to help teachers plan more authentic learning and allow students to experience more inquiry-based learning. The total cost of the agreement is \$75,000.00 and will be funded through phase II School System Innovative Fund (SSIF). This has been reviewed by Dinsmore & Shohl, LLP. Approval is requested for the renewal of Inkwire, Inc.
