Spring Boys Volleyball

**Positive Developments
and Highlights**

After discussing the advancement of boys' volleyball and our Regional Meetings and the Annual Meeting, we currently have 66 schools that have indicated in Arbiter that they will be fielding a team. This will allow staff to begin formation of an alignment for consideration at the November meeting.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

We continue to advise schools to check net systems to make sure the system will raise the height of the net to adhere to NFHS playing rules.

**Officials
Update/Review**
