

September 2024
Director of Student Services
Board Report

Custodial

- We are still looking to hire 2 night shift custodians.
- We are reviewing pricing on walk behind scrubbers. We need new ones for each school.
- Lori McBride is doing a fantastic job as Lead Custodian at LES.

Maintenance

- We are having some plumbing issues on the North end of Lincoln. We have a pipe that needs to be replaced outside of the preschool classrooms that ties into the new main line of the project.
- We are getting pricing on the replacement of a toilet in the Preschool classroom. We also need a new sump pump in the chiller room to push waste out of the building. It is continually breaking down.
- We had to order a new AC unit for the Daycare building. It is being installed this week.

Project One

- Perimeter walls are 85% complete.
- They have started roughing in the plumbing for the concession stand and field house.
- Playground equipment will arrive the 1st or 2nd week of November
- Parking Lot next to the high school has been partially paved. This will be used as a staging area at this time.
- The actual subbase for the football field is scheduled to start in late October.

School Safety

- We had a surprise visit for the Regional School Safety Compliance Officer.
- Camera system and new card readers are 90% complete. We are having some issues with some of our perimeter doors. We are getting quotes to get these items fixed. (\$19,000 to replace LES cafeteria doors)

Transportation

- We made the decision to surplus 2 busses. Bus 5 is currently at Bluegrass International having warranty work completed.
- We traveled 41,485 miles in school busses last year. This does not include mileage from Grant Co bus that we borrowed.
- We had 22 athletic events in the month of August.

Student Attendance/DPP

- Enrollment as of 9/24 was 743 – 385 at LES and 358 at DHS.
- Attendance percentage through 9/25 – LES 95.94% DHS – 93.15% District – 94.60%
